- (2) Fixed Charges of the Company and the Restricted Subsidiaries for such period, to the extent that any such Fixed Charges were deducted in computing Consolidated Net Income; *plus*
- (3) depreciation, amortization (including amortization of intangibles but excluding amortization of prepaid cash expenses that were paid in a prior period) and other non-cash expenses (excluding any such non-cash expense to the extent that it represents an accrual of or reserve for cash expenses in any future period or amortization of a prepaid cash expense that was paid in a prior period) of the Company and the Restricted Subsidiaries for such period to the extent that such depreciation, amortization or other non-cash expenses were deducted in computing Consolidated Net Income; *minus*
- (4) non-cash items increasing Consolidated Net Income for such period, other than the accrual of revenue in the ordinary course of business;

in each case, on a consolidated basis and determined in accordance with GAAP.

Notwithstanding the preceding, the provision for taxes based on the income or profits of a Restricted Subsidiary, and the Fixed Charges of and the depreciation and amortization and other non-cash expenses of a Restricted Subsidiary, will be added to Consolidated Net Income to compute Consolidated Cash Flow of the Company (A) in the same proportion that the net income (loss) of such Restricted Subsidiary was added to compute Consolidated Net Income of the Company and (B) only to the extent that a corresponding amount would be permitted at the date of determination to be dividended or distributed to the Company by such Restricted Subsidiary without prior governmental approval (that has not been obtained), and without direct or indirect restriction pursuant to the terms of its charter or any agreements, instruments, judgments, decrees, orders, statutes, rules and governmental regulations applicable to that Subsidiary or its stockholders.

- (1) if the transaction giving rise to the need to calculate the Consolidated Leverage Ratio is an Incurrence of Indebtedness, the amount of such Indebtedness shall be calculated after giving effect on a *pro forma* basis to such Indebtedness and the use of proceeds thereof;
- (2) if the Company or any Restricted Subsidiary has repaid, repurchased, defeased or otherwise discharged any Indebtedness that was outstanding as of the end of the Reference Period, or if any Indebtedness is to be repaid, repurchased, defeased or otherwise discharged on the date of the transaction giving rise to the need to calculate the Consolidated Leverage Ratio (other than, in each case, Indebtedness Incurred under any Revolving Credit Agreement), the aggregate amount of Indebtedness shall be calculated on a *pro forma* basis, after giving effect to such repayment, repurchase, defeasement or discharge;
- (3) if since the beginning of the Reference Period the Company or any Restricted Subsidiary shall have made any Asset Sale, the Consolidated Cash Flow for the Reference Period shall be reduced by an amount equal to the Consolidated Cash Flow (if positive) directly attributable to the assets which are the

subject of such Asset Sale for the Reference Period or increased by an amount equal to the Consolidated Cash Flow (if negative) directly attributable thereto for the Reference Period;

(4) if since the beginning of the Reference Period the Company or any Restricted Subsidiary (by merger or otherwise) shall have made an Investment in any Restricted Subsidiary (or any Person which becomes a Restricted Subsidiary) or other acquisition of assets which constitutes all or substantially all of an operating unit of a business, Consolidated Cash Flow for the Reference Period shall be calculated after giving *pro forma* effect thereto (including the Incurrence of any Indebtedness) as if such Investment or acquisition occurred on the first day of the Reference Period; and

(5) if since the beginning of the Reference Period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such Reference Period) shall have made any Asset Sale, any Investment or acquisition of assets that would have required an adjustment pursuant to clause (3) or (4) above if made by the Company or a Restricted Subsidiary during the Reference Period, Consolidated Cash Flow for the Reference Period shall be calculated after giving *pro forma* effect thereto as if such Asset Sale, Investment or acquisition had occurred on the first day of the Reference Period.

For purposes of this definition, whenever *pro forma* effect is to be given to an acquisition or disposition of assets, such *pro forma* calculation shall be made in good faith by a responsible financial or accounting officer of the Company or a direct or indirect parent of the Company. Any such *pro forma* calculation may include adjustments appropriate, in the reasonable determination of the Company or a direct or indirect parent of the Company, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from any acquisition or disposition or operational change to the extent such adjustments, without duplication, continue to be applicable to the Reference Period; *provided* that (x) such operating expense reductions and other operating improvements or synergies are reasonably identifiable and factually supportable and (y) such actions are reasonably expected to be taken no later than 24 months after the relevant transaction.

For purposes of this definition, in calculating the Consolidated Cash Flow and the aggregate amount of Indebtedness of the Company and its Restricted Subsidiaries, the Consolidated Cash Flow and Indebtedness attributable to discontinued operations will be excluded.

For purposes of making any computation referred to above:

(1) if any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Hedging Obligation applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months);

(2) interest on a Finance Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer, in his or her capacity as such and not in his or her personal capacity, of the Company or a direct or indirect parent of the Company to be the rate of interest implicit in such Finance Lease Obligation in accordance with GAAP;

(3) interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate as the Company may designate;

(4) if any Indebtedness is Incurred under a revolving credit facility or a Qualified Receivables Financing and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated based on the average daily balance of such Indebtedness for the Reference Period; and

(5) to the extent not already covered above, any such calculation may include adjustments calculated in accordance with Regulation S-X under the Securities Act.

“Consolidated Net Income” means, for any period, the aggregate of the net income (loss) of the Company and the Restricted Subsidiaries for such period, on a consolidated basis, determined in accordance with GAAP; *provided* that:

(1) the net income (loss) of any Person that is not a Restricted Subsidiary or that is accounted for by the equity method of accounting will be included only to the extent of the amount of dividends or distributions paid in cash (or converted into cash) to the Company or a Restricted Subsidiary;

(2) the net income (but not the net loss) of any Restricted Subsidiary will be excluded to the extent that the declaration or payment of dividends or similar distributions by that Restricted Subsidiary of that net income is not at the date of determination permitted without any prior governmental approval (that has not been obtained) or, directly or indirectly, by operation of the terms of its charter or any agreement, instrument, judgment, decree, order, statute, rule or governmental regulation applicable to that Restricted Subsidiary or its equityholders;

(3) the net income (loss) of any Person acquired during the specified period for any period prior to the date of such acquisition will be excluded;

(4) the net income (loss) of any Person that is not a Restricted Subsidiary on a consolidated basis allocable to minority interests in unconsolidated Persons or Unrestricted Subsidiaries to the extent that cash dividends or distributions have not actually been received by such a Person or one of its consolidated Restricted Subsidiaries will be excluded;

(5) any gain or loss, together with any related provision for taxes on such gain or loss, realized in connection with (a) any sale of assets outside the ordinary course of business of the Company or (b) the disposition of any securities by the Company or a Restricted Subsidiary or the extinguishment of any Indebtedness of the Company or any Restricted Subsidiary will be excluded;

(6) any extraordinary gain or loss, together with any related provision for taxes on such extraordinary gain or loss, will be excluded;

(7) any non-cash compensation expense realized for grants of restricted stock, performance shares, stock options or other rights with respect to equity to officers, directors and employees of the Company and any Restricted Subsidiary will be excluded; *provided* that such shares, options or other rights can be redeemed at the option of the holder only for Capital Stock (other than Disqualified Stock of the Company); and

(8) the cumulative effect of a change in accounting principles will be excluded.

“Consolidated Total Assets” means the consolidated total assets of such Person and its Restricted Subsidiaries, as set forth in the most recent consolidated balance sheet of such Person, determined on a *pro forma* basis.

“continuing” means, with respect to any Default or Event of Default, that such Default or Event of Default has not been cured or waived.

“Corporate Trust Office” means the principal office of the Trustee at which at any time its corporate trust business related to this Indenture shall be administered, which office at the date hereof is located at 1100 North Market Street, Wilmington, Delaware 19890, Attention: Cogent Communications Administrator, or such other address as the Trustee may designate from time to time by notice to the Holders and the Company, or the principal

(a) General. The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) Global Notes. Notes issued in global form shall be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the "Schedule of Exchanges of Interests in the Global Note" attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by

the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Company and authenticated by the Trustee as hereinafter provided.

(i) During the Restricted Period, beneficial ownership interests in Regulation S Temporary Global Notes may only be sold, pledged or transferred (A) to the Company, (B) in an offshore transaction in accordance with Rule 904 (other than a transaction resulting in an exchange for an interest in a Regulation S Permanent Global Note) or (C) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States; and beneficial interests in a 144A Global Note may be transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 or Rule 144 (if applicable).

(ii) Within a reasonable period after expiration or termination of the Restricted Period, beneficial interests in each Regulation S Temporary Global Note shall be exchanged for beneficial interests in a Regulation S Permanent Global Note upon delivery to DTC of the certification of compliance and the transfer of applicable Notes pursuant to the Applicable Procedures. Simultaneously with the authentication of the corresponding Regulation S Permanent Global Note, the Trustee shall cancel the corresponding Regulation S Temporary Global Note. The aggregate principal amount of a Regulation S Temporary Global Note and a Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(iii) Notwithstanding anything to the contrary in Section 2.06, a beneficial interest in the Regulation S Temporary Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (X) the expiration of the Restricted Period and (Y) the receipt by the Registrar of any certificates required pursuant to Rule 903(b)(3)(ii)(B), except in the case of a transfer pursuant to an exemption from the registration requirements of the Securities Act other than Rule 903 or Rule 904.

However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

with Section 4.03. Such Additional Notes shall have identical terms and conditions as the Initial Notes other than the issuance dates, issue price, transfer restrictions and, if applicable, the date from which interest will initially begin to accrue and the first interest payment date. Except as described under Article 9, the Initial Notes and any Additional Notes subsequently issued under this Indenture will be treated as a single class for all purposes under this Indenture, including waivers, amendments, redemptions and offers to purchase. Unless the context requires otherwise, references to “Notes” for all purposes of this Indenture include any Additional Notes that are actually issued. Any Additional Notes shall be issued with the benefit of an indenture supplemental to this Indenture.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company and Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.07, 4.09 and 9.04).

(iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(iv) Neither the Registrar nor the Company shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of mailing of notice of redemption of Notes for redemption under Section 3.02 and ending at the close of business on the day of such mailing, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part, or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

(v) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vi) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 2.03, the Company shall execute, and the Trustee shall, upon receipt of an Authentication Order, authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(vii) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall, upon receipt of an Authentication Order, authenticate and mail, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.06.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(ix) The Trustee, Registrar and Paying Agent shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with

respect to any transfer of any interest in any Note (including transfers between or among Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(x) The Trustee shall not have any responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, the Depositary or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner, or other Person (other than the Depositary) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders. The rights of beneficial owners in any Global Note shall be exercised only through the applicable clearing system subject to the Applicable Procedures. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants, and any beneficial owners. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

(i) Automatic Exchange from Restricted Global Note to Unrestricted Global Note. At the option of the Company and upon compliance with the following procedures, beneficial interests in a Restricted Global Note shall be exchanged for beneficial interests in an Unrestricted Global Note. In order to effect such exchange, the Company shall provide written notice to the Trustee and the Company shall (i) direct the Depositary to transfer the specified amount of the outstanding beneficial interests in a particular Restricted Global Note to an Unrestricted Global Note and provide the Depositary with all such information as is necessary for the Depositary to appropriately credit and debit the relevant Holder accounts and (ii) provide prior written notice to all Holders of such exchange, which notice must include the date such exchange is proposed to occur, the CUSIP number of the relevant Restricted Global Note and the CUSIP number of the Unrestricted Global Note into which such Holders' beneficial interests will be exchanged. As a condition to any such exchange pursuant to this Section 2.06(i), the Trustee shall be entitled to receive from the Company, and rely upon conclusively without any liability, an Officer's Certificate and an Opinion of Counsel to the effect that such transfer of beneficial interests to the Unrestricted Global Note shall be effected in compliance with the Securities Act and the terms and conditions of this Indenture. The Company may request from Holders such information it reasonably determines is required in order to be able to deliver such Officer's Certificate and Opinion of Counsel. Upon such exchange of beneficial interests pursuant to this Section 2.06(i), the Registrar shall reflect on its books and records the date of such transfer and a decrease and increase, respectively, in the principal amount of the applicable Restricted Global Note and the Unrestricted Global Note, respectively, equal to the principal amount of beneficial interests transferred. Following any such transfer pursuant to this Section 2.06(i) of all of the beneficial interests in a Restricted Global Note, such Restricted Global Note shall be canceled.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the ownership and destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee (with respect to the Trustee) and the Company (with respect to the Company) to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company and/or the Trustee may charge for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a Redemption Date or Maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any request, demand, authorization, direction, notice, consent or waiver (other than in respect of any action pursuant to the second paragraph under Section 9.02, which requires the consent of each Holder of an affected Note), Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to the Notes and that the pledgee is not the Company or any obligor upon the Notes or any Affiliate of the Company or of such other obligor.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits accorded to Holders under this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall, at the written direction of the Company, cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in accordance with its customary procedures. Certification of the cancellation of all cancelled Notes shall be delivered to the Company upon written request. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Company shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed, first-class postage prepaid, to each Holder a notice (which shall be prepared by the Company) at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.13 CUSIP and ISIN Numbers.

The Company in issuing the Notes may use CUSIP and/or ISIN numbers (if then generally in use) and, if so, the Trustee shall use CUSIP and/or ISIN numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will as promptly as practicable notify the Trustee in writing of any change in the CUSIP or ISIN numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee and the Agents, at least two Business Days for Global Notes or ten calendar days for Definitive Notes (or such shorter period as is agreed to by the Trustee) before notice of redemption is required to be mailed or caused to be mailed to Holders pursuant to Section 3.03, an Officer's Certificate setting forth (i) the paragraph or sub-paragraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the Redemption Date, (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

If less than all of the Notes are to be redeemed or purchased in an Offer to Purchase at any time, the Trustee shall select Notes for redemption or purchase as follows (a) in compliance with the requirements of the securities exchange, if any, on which the Notes are listed, which requirements shall be specified in writing by the Company to the Trustee; or (b) if the Notes are not so listed, on a *pro rata* basis, by lot or by such other method as the Paying Agent or Registrar deems fair and appropriate (and in such manner as complies with applicable legal requirements and, in the case of Global Notes, the procedures of DTC).

The Registrar and Paying Agent shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes redeemed in part shall be redeemed only in integral multiples of \$1,000, and no Notes of \$2,000 or less shall be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

The Company shall mail or cause to be mailed by first-class mail (or sent electronically, or otherwise in accordance with the procedures of DTC) notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address (with a copy to the Trustee and Paying Agent) or otherwise in accordance with the procedures of the Depository, except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued (i) in connection with Article 8 or Article 14 or (ii) in the case of a redemption that is subject to one or more conditions precedent, as described in the next succeeding sentence. In connection with any redemption of Notes, any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the redemption date, or by the redemption date so delayed. In addition, such notice of redemption may be extended if such conditions precedent have not been satisfied or waived by the Company by providing notice to the Holders.

The notice shall identify the Notes to be redeemed (including CUSIP and/or ISIN numbers) and shall state:

- (a) the Redemption Date;
- (b) the redemption price;
- (c) if any Note is to be redeemed in part only, the portion of the principal amount of that Note that is to be redeemed and that, after the Redemption Date upon surrender of such Note (other than Global Notes), a new Note or Notes in principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder of the Note upon cancellation of the original Note;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, so long as the Company has deposited with the Trustee funds sufficient to pay the principal of, premium, if any, and accrued and unpaid interest, if any, on the Notes to be redeemed, interest on Notes or portions thereof called for redemption ceases to accrue on and after the Redemption Date;
- (g) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (h) that no representation is made as to the correctness or accuracy of the CUSIP and/or ISIN number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee shall give the notice of redemption in the name of the Company and at the Company's expense; *provided* that the Company shall have delivered to the Trustee, at least two Business Days, in the case of Global Notes, and five Business Days, in the case of Definitive Notes, before notice of redemption is required to be mailed (or electronically delivered) or caused to be mailed (or electronically delivered) to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate (which may be the same Officer's Certificate delivered pursuant to Section 3.01) requesting that the Trustee give such notice and a copy of the notice containing the information required in the preceding paragraph.

The Company shall deliver written notice to the Trustee setting forth the calculation of the Applicable Premium, if any, on or prior to the date a notice of redemption is given, and the Trustee may conclusively rely on such calculation without further investigation.

In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed or sent electronically in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price, subject to the satisfaction of any conditions precedent. The notice, if mailed (or sent electronically) in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail (or electronically) or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the Redemption Date, interest ceases to accrue on Notes or portions thereof called for redemption unless the Company defaults in the delivery of the redemption payment.

Neither the Trustee, the Paying Agent nor the Registrar shall be liable for any selections made by it in accordance with the preceding paragraphs.

Section 3.05 Deposit of Redemption or Purchase Price.

Prior to 10:00 a.m. (New York City time) on the redemption or purchase date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the redemption or purchase date shall be paid on the redemption or purchase date to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest accrued to the redemption or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note (other than a Global Note) that is redeemed or purchased in part, the Company shall issue and the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in

principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same indebtedness to the extent not redeemed or purchased; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) At any time prior to June 15, 2024, the Company may redeem up to 40.0% of the aggregate principal amount of Notes issued under this Indenture (calculated after giving effect to any issuance of Additional Notes) at a redemption price of 107.0% of the principal amount thereof, *plus* accrued and unpaid interest thereon to, but excluding, the redemption date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the redemption date, with the net cash proceeds of one or more Equity Offerings (in the case of an Equity Offering by a direct or indirect parent of the Company to the extent that such cash proceeds are contributed to the common equity capital of the Company or used to purchase Capital Stock (other than Disqualified Stock) of the Company); *provided* that:

- (1) at least 60.0% of the aggregate principal amount of Notes issued under this Indenture (calculated after giving effect to any issuance of Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or its Affiliates); and
- (2) the redemption must occur within 90 days of the date of the closing of such Equity Offering.

At any time prior to June 15, 2024, the Company may redeem all or part of the Notes at a redemption price equal to the sum of (i) 100.0% of the principal amount thereof, (ii) the Applicable Premium as of the Redemption Date and (iii) accrued and unpaid interest thereon to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date.

(b) At any time, in connection with any tender offer or other offer to purchase the Notes (including pursuant to an Offer to Purchase), if not less than 90.0% in aggregate principal amount of the outstanding Notes are purchased by the Company, or any third party purchasing or acquiring Notes in lieu of the Company, all of the Holders will be deemed to have consented to such tender offer or other offer and, accordingly, the Company or such third party will have the right, upon notice as described below, to redeem the Notes that remain outstanding following such purchase at the price paid to Holders in such purchase (which may be less than par), *plus* accrued and unpaid interest, if any, on such Notes to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date.

(c) In addition, at any time on or after June 15, 2024, the Company may redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest thereon, to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record dates to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date, if redeemed during the 12-month period beginning on the years indicated below:

<u>Period</u>	<u>Redemption Price</u>
2024	103.500%
2025	101.750%
2026 and thereafter	100.000%

Section 3.08 Mandatory Redemption; Open-Market Purchases.

The Company will not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. The Company or its Affiliates may at any time and from time to time purchase Notes or other Indebtedness of the Company or its Affiliates. Any such purchases may be made through open-market or privately negotiated transactions with third parties or pursuant to one or more tender or exchange offers or otherwise, upon such terms and at such prices, as well as with such consideration, as the Company or any such Affiliates may determine.

ARTICLE 4

COVENANTS

Section 4.01 Payment of Principal, Premium and Interest.

The Company shall duly and punctually pay the principal of, premium, if any, and interest on the Notes in accordance with the terms of the Notes and this Indenture. Principal, premium, if any, and interest will be considered paid on the date due if the Paying Agent, if other than the Company or an Affiliate thereof, holds as of 10:00 a.m. New York City Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

Section 4.02 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect the existence (corporate or otherwise) and related rights and franchises (charter and statutory) of the Company and each Restricted Subsidiary; *provided, however*, that the Company shall not be required to preserve any such right or franchise or the existence (corporate or otherwise) of any such Restricted Subsidiary if the Board of Directors of the Company shall determine that the preservation thereof is no longer necessary or desirable in the conduct of the business of the Company and its Restricted Subsidiaries as a whole and that the loss thereof could not reasonably be expected to have a material adverse effect on the ability of the Company to perform its obligations hereunder; *provided, further, however*, that the foregoing shall not prohibit a sale, transfer or conveyance of a Restricted Subsidiary or any of its assets in compliance with the terms of this Indenture.

Section 4.03 Limitation on Indebtedness, Disqualified Stock and Preferred Stock.

(a) The Company will not, and will not permit any Restricted Subsidiary to, Incur any Indebtedness or issue shares of Disqualified Stock; *provided* that the Company or any Guarantor may Incur Indebtedness or issue shares of Disqualified Stock or shares of Preferred Stock if, after giving effect to the Incurrence of such Indebtedness, or the issuance of such Disqualified Stock or Preferred Stock, as the case may be, and the receipt and application of the proceeds therefrom, either (x) the Consolidated Leverage Ratio would be positive and less than 6.00 to 1.00 or (y) the Fixed Charge Coverage Ratio would be 2.00 to 1.00 or greater (“Ratio Debt”).

(b) Section 4.03(a) will not prohibit the Incurrence of any of the following (collectively, “Permitted Indebtedness”):

(1) the Incurrence by the Company or any Guarantor of Indebtedness under a Revolving Credit Agreement (including, without limitation, the Incurrence by the Company and the Guarantors of Guarantees thereof) in an aggregate amount at any one time outstanding pursuant to this clause (1) not to exceed \$75.0 million;

(2) Existing Indebtedness;

(3) the Incurrence by the Company and the Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the related Note Guarantees;

(4) the Incurrence by the Company or any Restricted Subsidiary of Indebtedness (including Indebtedness represented by Finance Lease Obligations not associated with IRUs, mortgage financings and purchase money obligations) Incurred for the purpose of financing all or any part of the purchase price or cost of lease, construction, installation, repair or improvement of property, plant or equipment or other fixed or capital assets used in the business of the Company or such Restricted Subsidiary (including any reasonably related fees or expenses Incurred in connection with such acquisition, construction or improvement, and whether through the direct purchase of such assets or through the purchase of the Capital Stock of any Person owning such assets), in an aggregate amount, including all Indebtedness Incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness Incurred pursuant to this clause (4), not to exceed, at any time outstanding, the greater of (x) \$50.0 million and (y) 20.0% of Consolidated Cash Flow for the Reference Period; provided that Finance Lease Obligations Incurred by the Company or any Restricted Subsidiary pursuant to this clause (4) in connection with a Sale and Leaseback Transaction shall not be subject to the foregoing limitation so long as the proceeds of such Sale and Leaseback Transaction are used by the Company or such Restricted Subsidiary to permanently repay outstanding loans under any Indebtedness secured by a Lien (it being understood that any Indebtedness Incurred pursuant to this clause (4) shall cease to be deemed Incurred and outstanding pursuant to this clause (4) but shall be deemed Incurred and outstanding as Ratio Debt from and after the first date on which the Company or any such Guarantor, as the case may be, could have Incurred such Indebtedness as Ratio Debt (to the extent the Company or any such Guarantor is able to Incur any Liens related thereto as Permitted Liens after such reclassification));

(5) the Incurrence by the Company or any Restricted Subsidiary of Permitted Refinancing Indebtedness in exchange for, or the net cash proceeds of which are used to refund, refinance or replace Indebtedness, Disqualified Stock and Preferred Stock that was permitted by this Indenture to be Incurred as Ratio Debt, under this clause (5) or under clause (2), (3) or (16) of this Section 4.03(b) or subclause (y) of any of clauses (4) or (14) (provided that any amounts Incurred under this clause (5) as Permitted Refinancing Indebtedness in respect of Indebtedness, Disqualified Stock and Preferred Stock Incurred pursuant to subclause (y) of any of these clauses shall reduce the amount available under such subclause (y) of such clause so long as such Permitted Refinancing Indebtedness remains outstanding (but, in each case, not below \$0)), including any Increased Amount;

(6) the Incurrence by the Company or any Restricted Subsidiary of Indebtedness or Disqualified Stock owing to and held by the Company or any Restricted Subsidiary; provided that:

(a) if the Company or any Guarantor is the obligor on such Indebtedness or Disqualified Stock and such Indebtedness or Disqualified Stock is owed to a non-Guarantor Restricted Subsidiary, such Indebtedness must be unsecured and expressly subordinated in right of payment to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and

(b) any event that results in any such Indebtedness or Disqualified Stock being held by a Person other than the Company or a Restricted Subsidiary

(except for any pledge of such Indebtedness or Disqualified Stock constituting a Permitted Lien until the pledgee commences actions to foreclose on such Indebtedness or Disqualified Stock) will be deemed, in each case, to constitute an Incurrence of such Indebtedness or Disqualified Stock by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (6);

(7) (i) the Guarantee by the Company or any Guarantor of Indebtedness of the Company or a Restricted Subsidiary and (ii) the Guarantee by a non-Guarantor Restricted Subsidiary of Indebtedness of another non-Guarantor Restricted Subsidiary, in each case, that was permitted to be Incurred by another provision of this Section 4.03;

(8) the Incurrence by the Company or any Restricted Subsidiary of Hedging Obligations that are Incurred for the purpose of fixing, hedging or swapping interest rate, commodity price or foreign currency exchange rate risk (or to reverse or amend any such agreements previously made for such purposes), and not for speculative purposes;

(9) the Incurrence by the Company or any Restricted Subsidiary of Indebtedness arising from agreements providing for indemnification, earn-outs, adjustment of purchase price or similar obligations, or Guarantees or letters of credit, surety bonds or performance bonds securing any obligations of the Company or any Restricted Subsidiary pursuant to such agreements, in any case Incurred in connection with the disposition or acquisition of any business, assets or Capital Stock of a Restricted Subsidiary (other than Guarantees of Indebtedness, Incurred by any Person acquiring all or any portion of such business, assets or Capital Stock of a Restricted Subsidiary for the purpose of financing such acquisition), so long as the amount does not exceed the gross proceeds actually received by the Company or any Restricted Subsidiary in connection with such disposition;

(10) the Incurrence by the Company or any Restricted Subsidiary of Indebtedness in respect of bid, performance or surety bonds or letters of credit issued in the ordinary course of business, including letters of credit supporting lease obligations or supporting such bid, performance or surety bonds or in respect of workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance or self-insurance, or other Indebtedness with respect to reimbursement-type obligations regarding workers' compensation claims, health, disability or other employee benefits (whether current or former) or property, casualty or liability insurance;

(11) the Incurrence by the Company or any Restricted Subsidiary of Indebtedness, Disqualified Stock or Preferred Stock to the extent the net cash proceeds thereof are promptly deposited pursuant to Sections 8.02, 8.03 or 14.01;

(14) the Incurrence by the Company or any Restricted Subsidiary of additional Indebtedness, Disqualified Stock or Preferred Stock in an aggregate amount at

any one time outstanding pursuant to this clause (14), not to exceed \$100.0 million; *provided* that the principal amount of Indebtedness, Disqualified Stock or Preferred Stock Incurred by any Restricted Subsidiary that is not a Guarantor pursuant to this clause (14) does not exceed \$50.0 million at any one time outstanding (it being understood that any Indebtedness, Disqualified Stock or Preferred Stock Incurred pursuant to this clause (14) shall cease to be deemed Incurred and outstanding pursuant to this clause (14) but shall be deemed Incurred and outstanding as Ratio Debt from and after the first date on which the Company or any such Guarantor, as the case may be, could have Incurred such Indebtedness, Disqualified Stock or Preferred Stock as Ratio Debt);

(15) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business;

(16) Indebtedness, Disqualified Stock or Preferred Stock (i) of the Company or any of its Restricted Subsidiaries Incurred to finance an acquisition and (ii) of Persons that are acquired by the Company or any of its Restricted Subsidiaries or merged into the Company or a Restricted Subsidiary in accordance with the terms of this Indenture; *provided, however*, that after giving effect to such acquisition and the Incurrence of such Indebtedness, Disqualified Stock or Preferred Stock, either:

(a) the Company would be permitted to Incur at least \$1.00 of additional Indebtedness as Ratio Debt; or

(b) the Consolidated Leverage Ratio or Fixed Charge Coverage Ratio would be less (in the case of the Consolidated Leverage Ratio) or more (in the case of the Fixed Charge Coverage Ratio) than immediately prior to such acquisition;

(17) Indebtedness owed on a short-term basis to banks and other financial institutions Incurred in the ordinary course of business of the Company and the Restricted Subsidiaries with such banks or financial institutions that arises in connection with ordinary banking arrangements to manage cash balances of the Company and the Restricted Subsidiaries;

(18) Indebtedness Incurred by the Company or any Restricted Subsidiary in connection with bankers' acceptances, discounted bills of exchange or the discounting or factoring of receivables for credit management purposes, in each case Incurred or undertaken in the ordinary course of business on arm's-length commercial terms;

(19) shares of Preferred Stock of a Restricted Subsidiary issued to the Company or another Restricted Subsidiary; *provided* that any subsequent issuance or transfer of any Capital Stock or any other event that results in any Restricted Subsidiary that holds such shares of Preferred Stock of another Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock (except to the Company or another Restricted Subsidiary) shall be deemed, in each case, to be an issuance of shares of Preferred Stock not permitted by this clause (19);

(20) Indebtedness Incurred by a Receivables Subsidiary in a Qualified Receivables Financing that is not recourse to the Company or any Restricted Subsidiary other than a Receivables Subsidiary (except for Standard Securitization Undertakings);

(21) customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business;

(22) Indebtedness of the Company or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to any credit facility permitted under this Indenture, so long as such letter of credit has not been terminated and is in a principal amount not in excess of the stated amount of such letter of credit or bank guarantee;

(23) Indebtedness of the Company or any Restricted Subsidiary consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business;

(24) (x) Indebtedness, Disqualified Stock or Preferred Stock issued by the Company or any Restricted Subsidiary to future, current or former officers, directors, managers, employees, consultants and independent contractors thereof or any direct or indirect parent thereof, their respective estates, heirs, family members, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Company or any direct or indirect parent of the Company to the extent permitted under Section 4.04;

(25) guarantees Incurred in the ordinary course of business in respect of obligations to suppliers, customers, franchisees, lessors, licensees, sub-licensees and distribution partners; and

(26) unfunded pension fund and other employee benefit plan obligations and liabilities to the extent (i) that they are permitted to remain unfunded under applicable law and (ii) Incurred in ordinary course of business consistent with past practices.

(c) For purposes of determining compliance with this covenant, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Indebtedness or is entitled to be Incurred as Ratio Debt, the Company shall, in its sole discretion, at the time of Incurrence, divide, classify or reclassify, or at any later time divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this covenant. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such Guarantee or letter of credit, as the case may be, was in compliance with this Section 4.03.

(d) For purposes of determining compliance with this covenant, all Disqualified Stock or Preferred Stock issued by a Person shall be valued at the greater of its voluntary or involuntary liquidation preference and its maximum fixed repurchase price, *plus* accrued dividends. For purposes hereof, the “maximum fixed repurchase price” of any Disqualified Stock or Preferred Stock which does not have a fixed repurchase price will be calculated in accordance with the terms of such Disqualified Stock or Preferred Stock, as applicable, as if such Disqualified Stock or Preferred Stock were repurchased on any date on which Indebtedness will be required to be determined pursuant to this Indenture, and if such price is based upon, or measured by, the fair market value of such Disqualified Stock or Preferred Stock, such fair market value shall be determined reasonably and in good faith by the Company or any direct or indirect parent of the Company.

(e) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, Disqualified Stock or Preferred Stock, the U.S. dollar-equivalent principal amount, liquidation preference or maximum fixed repurchase price, as applicable, of Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency shall be calculated based on the relevant currency exchange rate (x) in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was Incurred (or the date on which it priced), in the case of term debt, first committed or first Incurred (whichever yields the lower U.S. dollar-equivalent), in the case of revolving credit debt or debt financing to fund an acquisition, or first issued, in the case of Disqualified Stock or Preferred Stock; provided that if such Indebtedness, Disqualified Stock or Preferred Stock is Incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be

exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount, liquidation preference or maximum fixed repurchase price of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed the principal amount of such Indebtedness, Disqualified Stock or Preferred Stock being refinanced (*plus* any Increased Amount).

(f) The principal amount, liquidation preference or maximum fixed repurchase price, as applicable, of any Indebtedness, Disqualified Stock or Preferred Stock Incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, if Incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

(g) This Indenture will not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Indebtedness as subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same collateral.

Section 4.04 Limitation on Restricted Payments.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly, take any of the following actions (each, a “Restricted Payment”):

(i) declare or pay any dividend or make any other payment or distribution with respect to any of the Company’s or any Restricted Subsidiary’s Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any Restricted Subsidiary (other than dividends, payments or distributions (x) payable in Equity Interests (other than Disqualified Stock) of the Company or (y) to the Company or a Restricted Subsidiary));

(ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company or any Restricted Subsidiary) any Equity Interests of the Company;

(iii) call for redemption or make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, prior to the Stated Maturity thereof, any Subordinated Indebtedness except (a) in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such payment, purchase or other acquisition, or (b) intercompany Indebtedness permitted to be Incurred pursuant to Section 4.03(b)(6); or

(iv) make any Investment (other than a Permitted Investment);

unless, at the time of and after giving *pro forma* effect to such Restricted Payment:

- (1) (x) in the case of an Investment (other than a Permitted Investment), no Specified Event of Default shall have occurred and be continuing or would occur as a consequence thereof, and (y) in the case of any other Restricted Payment, no Event of Default will have occurred and be continuing or would occur as a consequence thereof;
- (2) the Company could Incur \$1.00 of additional Indebtedness as Ratio Debt; and

(d) For purposes of this Section 4.04, if any Investment or Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of “Permitted Investments,” the Company may divide and classify such Investment or Restricted Payment in any manner that complies with this covenant and may later divide and reclassify any such Investment or Restricted Payment so long as the Investment or Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such

reclassification. In addition, for purposes of this Section 4.04, any Restricted Payment permitted hereunder may, at the option of the Company or its Restricted Subsidiaries, be structured in the form of a loan or other Investment.

Section 4.05 Limitation on Transactions with Affiliates.

(a) The Company will not, and will not permit any Restricted Subsidiary to, directly or indirectly make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into, make, amend, renew or extend any transaction, contract, agreement, understanding, loan, advance or Guarantee with, or for the benefit of, any of their Affiliates (each, an “Affiliate Transaction”), unless:

(1) such Affiliate Transaction is on terms that are not less favorable, taken as a whole, in any material respect to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm’s-length transaction by the Company or such Restricted Subsidiary with an unrelated Person (as determined in good faith by the Company or a direct or indirect parent of the Company); and

(2) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of the greater of (x) \$5.0 million and (y) 3.0% of Consolidated Cash Flow for the Reference Period, a Board Resolution accompanied by an Officer’s Certificate certifying that such Affiliate Transaction or series of related Affiliate Transactions complies with clause (a)(1) above and that such Affiliate Transaction or series of related Affiliate Transactions has been approved by a majority of the Disinterested Members.

(b) The following items will be deemed not to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.05(a):

(1) (a) transactions between or among the Company and/or any of its Restricted Subsidiaries (or an entity that becomes a Restricted Subsidiary as a result of such transaction) and (b) any merger or consolidation of the Company and Cogent Holdco or any other direct or indirect parent of the Company (provided that such parent entity shall have no material liabilities and no material assets (other than Cash Equivalents and the Capital Stock of the Company) and such merger or consolidation is otherwise in compliance with the terms of this Indenture and effected for a *bona fide* business purpose);

(2) (a) Restricted Payments that are permitted by this Indenture and (b) Permitted Investments;

(3) transactions in which the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an independent accounting, appraisal or investment banking firm of national standing (as determined in good faith by the Company or a direct or indirect parent of the Company) stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (1) of Section 4.05(a);

(4) payments, loans or advances to employees or consultants or guarantees in respect thereof (or cancellation of loans, advances or guarantees) for bona fide business purposes or in the ordinary course of business;

(5) any agreement or arrangement as in effect as of the Issue Date and as thereafter amended, supplemented or replaced (so long as such amendment, supplement or replacement is not more disadvantageous to the Holders in any material respect than the original agreement or arrangement as in effect on the Issue Date) or any transaction or payments contemplated thereby;

(6) (a) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case, in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Company and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Company or a direct or indirect parent of the Company or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party and (b) transactions with Unrestricted Subsidiaries in the ordinary course of business;

(7) the sale or issuance of Equity Interests (other than Disqualified Stock) of the Company;

(8) any contribution to the capital of the Company (other than Disqualified Stock) or any investments by Cogent Holdco or a direct or indirect parent of the Company in Equity Interests (other than Disqualified Stock) of the Company (and payment of reasonable out-of-pocket expenses incurred by Cogent Holdco or a direct or indirect parent of the Company in connection therewith);

(9) any transaction with a Person (other than an Unrestricted Subsidiary) which would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary owns an Equity Interest in or otherwise controls such Person; *provided* that no Affiliate of the Company or any of its Subsidiaries other than the Company or a Restricted Subsidiary shall have a beneficial interest or otherwise participate in such Person;

(10) transactions between the Company or any of its Restricted Subsidiaries and any Person who is a director, or such Person has a director who is also a director of the Company or any direct or indirect parent of the Company; *provided, however*, that such director abstains from voting as a director of the Company or such direct or indirect parent of the Company, as the case may be, on any matter involving such other Person;

(11) pledges of Equity Interests of Unrestricted Subsidiaries;

(12) transactions with Affiliates solely in their capacity as holders of Indebtedness or Equity Interests of the Company or any of its Subsidiaries, so long as such transaction is with all holders of such class (and there are such non-Affiliate holders) and such Affiliates are treated no more favorably than all other holders of such class generally;

(13) the existence of, or the performance by the Company or any of its Restricted Subsidiaries of their obligations under the terms of, any customary registration rights or shareholders' agreement to which they are a party or become a party in the future;

(14) any employment agreements entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business and the payment of reasonable

and customary fees and reimbursements paid to, and customary indemnity and similar arrangements provided on behalf of, officers, directors, employees or consultants of the Company or any Restricted Subsidiary or (to the extent relating to the business of the Company and its Subsidiaries) any other direct or indirect parent of the Company;

(15) any transaction effected as part of a Qualified Receivables Financing permitted hereunder;

(16) the issuances of securities or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, stock option and stock ownership plans or similar employee benefit plans approved by the Board of Directors of the Company or of a Restricted Subsidiary of the Company, as appropriate, in good faith;

(17) (i) any employment, consulting, service or termination agreement, or customary indemnification arrangements, entered into by the Company or any of its Restricted Subsidiaries with current, former or future officers, directors, employees and consultants of the Company or any of its Restricted Subsidiaries (or of any direct or indirect parent of the Company to the extent such agreements or arrangements are in respect of services performed for the Company or any of its Restricted Subsidiaries) and the payment of compensation to officers, directors, employees and consultants of the Company or any of its Restricted Subsidiaries (including amounts paid pursuant to employee benefit plans, employee stock option or similar plans) (or of any direct or indirect parent of the Company to the extent such agreements or arrangements are in respect of services performed for the Company or any of its Restricted Subsidiaries), in each case in the ordinary course of business; and (ii) any payment of compensation or other employee compensation, benefit plan or arrangement, any health, disability or similar insurance plan which covers officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries or any direct or indirect parent of the Company (including amounts paid pursuant to any management equity plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement, stock option or similar plans and any successor plan thereto and any supplemental executive retirement benefit plans or arrangements), in each case, in the ordinary course of business or as otherwise approved in good faith by the Board of Directors of the Company or a direct or indirect parent of the Company;

(18) investments by a direct or indirect parent of the Company in securities of the Company or any Restricted Subsidiary (and payment of reasonable out-of-pocket expenses incurred by a direct or indirect parent of the Company in connection therewith);

(19) any lease entered into between the Company or any Restricted Subsidiary, as lessee, and any Affiliate of the Company, as lessor, in the ordinary course of business; and

(20) (i) intellectual property licenses in the ordinary course of business and (ii) intercompany intellectual property licenses and research and development agreements in the ordinary course of business.

Section 4.06 Limitation on Liens.

(a) The Company will not, and will not permit any Guarantor (other than Cogent Holdco) to, directly or indirectly, create, incur or suffer to exist any Lien (other than Permitted Liens) on any asset or property

of the Company or such Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, that secures any Indebtedness of the Company or such Guarantor, unless:

(i) in the case of Liens securing Subordinated Indebtedness, the Notes or Note Guarantees, as applicable, are contemporaneously secured by a Lien on such property or assets on a senior basis to the Subordinated Indebtedness so secured until such time as such Subordinated Indebtedness is no longer so secured by a Lien; or

(ii) in the case of Liens securing Secured Indebtedness that is not Subordinated Indebtedness, the Notes or Note Guarantees, as applicable, are contemporaneously secured by a Lien on such property or assets on an equal and ratable basis with the Secured Indebtedness so secured until such time as such Secured Indebtedness is no longer so secured by a Lien.

(b) Any Lien that is granted to secure the Notes or such Note Guarantee pursuant to Section 4.06(a) shall be automatically released and discharged at the same time as the release of the Lien (other than a release following enforcement of remedies in respect of such Lien or the Obligations secured by such Lien) that gave rise to the obligation to secure the Notes or such Note Guarantee under Section 4.06(a).

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness.

Section 4.07 Limitation on Sale of Assets.

(a) The Company will not, and will not permit any Restricted Subsidiary to, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75.0% of the consideration therefor received by the Company or such Restricted Subsidiary is in the form of:

(a) Cash Equivalents; *provided* that the amount of:

(i) any liabilities (as shown on the Company's or such Restricted Subsidiary's balance sheet or in the notes thereto for the most recent period ended on or prior to such time in respect of which financial statements are internally available or, if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been reflected on the Company's or such Restricted Subsidiary's balance sheet or in the notes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet in the good faith determination of the Company or any direct or indirect parent of the Company) of the Company or such Restricted Subsidiary (other than liabilities that are by their terms subordinated to the Notes) that are extinguished in connection with the transactions relating to such Asset Sale, or that are assumed by the transferee of any such assets or Equity Interests, in each case, pursuant to an agreement that releases or indemnifies the Company or such Restricted Subsidiary, as the case may be, from further liability;

- (ii) any notes or other obligations or other securities or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into Cash Equivalents, or by their terms are required to be satisfied for Cash Equivalents (to the extent of the Cash Equivalents received), in each case, within 90 days of the receipt thereof; and
- (iii) any Designated Non-cash Consideration received by the Company or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this subclause (iii) that is at that time outstanding, not to exceed the greater of (x) \$50.0 million and (y) 25.0% of Consolidated Cash Flow for the Reference Period, calculated at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value);

(b) shall each be deemed to be Cash Equivalents for the purposes of this clause (a) Replacement Assets; or

(c) any combination of the consideration specified in clauses (a) and (b).

(b) Within 365 days after the receipt of any Net Available Cash by the Company or any Restricted Subsidiary from any Asset Sale, the Company or such Restricted Subsidiary may apply an amount equal to the Net Available Cash from such Asset Sale, at its option:

(1) to invest in Replacement Assets (or, so long as a binding agreement with respect to the purchase of Replacement Assets is entered into within 365 days after the receipt of any Net Available Cash by the Company or any Restricted Subsidiary from any Asset Sale, 90 days after the end of such 365-day period);

(2) to prepay, repay, purchase or redeem any Secured Indebtedness of the Company or the Guarantors (and, if the Indebtedness being repaid is a Revolving Credit Agreement, to correspondingly reduce commitments with respect thereto), other than Indebtedness owed to the Company or any Restricted Subsidiary;

(3) to prepay, repay, purchase or redeem any (x) Pari Passu Debt of the Company or the Guarantors, including the Notes (*provided* that if the Company or any Guarantor shall so prepay, repay, purchase or redeem such Pari Passu Debt other than the Notes, the Company will (A) ratably reduce Obligations under the Notes as provided in Section 3.07 or through open-market purchases at a purchase price equal to or greater than 100.0% of the principal amount thereof or (B) make an offer (in accordance with the procedures set forth below for an Offer to Purchase) to all Holders to purchase at a purchase price equal to 100.0% of the principal amount thereof, *plus* accrued and unpaid interest, if any, the principal amount of Notes then outstanding), or (y) Indebtedness of a non-Guarantor Restricted Subsidiary, in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary (and, if the Indebtedness being repaid is a Revolving Credit Agreement, to correspondingly reduce commitments with respect thereto); or

(4) any combination of the foregoing.

(c) The amount of such Net Available Cash required to be applied (or to be committed to be applied) during such 365-day period as set forth in Section 4.07(b) and not applied (or committed to be applied) as so required by the end of such period shall constitute “Excess Proceeds.” If, as of the first day of any calendar month, the aggregate amount of Excess Proceeds totals at least the greater of (x) \$30.0 million and (y) 15.0% of Consolidated Cash Flow for the Reference Period, the Company must commence, not later than the 15th Business Day of such month, and consummate an Offer to Purchase, from the Holders and all holders of other Pari Passu Debt, containing provisions similar to those set forth in this Indenture with respect to offers to purchase with the proceeds of sales of assets, the maximum principal amount of Notes and such other Pari Passu Debt that may be purchased out of the Excess Proceeds. The offer price in any such Offer to Purchase will be equal to 100.0% of the principal amount (or accreted value, if applicable) of the Notes and such other Pari Passu Debt, *plus* accrued and unpaid interest thereon to, but excluding, the date of purchase, subject to the rights of Holders on the relevant record date to receive interest on the relevant interest payment date falling prior to or on the repurchase date, and will be payable in cash. To the extent that any Excess Proceeds remain after consummation of an Offer to Purchase pursuant to Section 4.07, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture, and those Excess Proceeds shall no longer constitute “Excess Proceeds.” If the aggregate principal amount of Notes and Pari Passu Debt, tendered or otherwise surrendered by holders thereof exceeds the amount of Excess Proceeds, the Paying Agent or the Registrar shall select the Notes (and the Company or its agents shall select such Pari Passu Debt) to be purchased in the manner described below in Section 4.07(e). Upon completion of any such Offer to Purchase, the amount of Net Available Cash and Excess Proceeds shall be reset at zero. The Company may satisfy the foregoing obligations with respect to any Asset Sale by making an Offer to Purchase at any time prior to the expiration of the 365-day reinvestment period.

(d) Notwithstanding anything to the contrary set forth herein, to the extent that repatriation to the United States of any or all of the Net Available Cash of any Asset Sales by a Foreign Subsidiary (x) is prohibited or delayed by applicable local law or (y) would result in material adverse tax consequences as determined by the Company in its sole discretion, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this covenant; *provided* that clause (x) of this clause (d) shall apply to such amounts for so long, but only for so long, as the applicable local law will not permit repatriation to the United States (the Company hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if such repatriation of any of such affected Net Available Cash is permitted under the applicable local law and is not subject to clause (y) of this clause (d), then such Net Available Cash will be applied (net of additional taxes that would be payable or reserved against as a result of repatriating such amounts) in compliance with this Section 4.07. The time periods set forth in this covenant shall not start until such time as the applicable Net Available Cash may be repatriated (whether or not such repatriation actually occurs).

(e) If more Notes are tendered pursuant to an Offer to Purchase than the Company is required to purchase, selection of such Notes for purchase will be made in compliance with the requirements of the securities exchange, if any, on which such Notes are listed (so long as the Paying Agent or the Registrar knows of such listing) or if such Notes are not listed, on a pro rata basis (with adjustments so that only Notes in denominations of the minimum denomination of \$2,000 or integral multiples of \$1,000 in excess thereof shall be purchased (or such lower denomination as may be permitted by DTC), by lot or by such other method as the Paying Agent or the Registrar shall deem fair and appropriate (and in such manner as complies with applicable legal requirements and, in the case of Global Notes, the procedures of DTC); *provided* that the selection of Notes for purchase shall not result in a Holder with a principal amount of Notes less than the minimum denomination of \$2,000 (or such lower denomination as may be permitted by DTC). No Note will be repurchased in part if less than the minimum denomination of such Note would be left outstanding.

(f) Neither the Paying Agent nor the Registrar shall be liable for any selections made by it in accordance with the preceding paragraphs.

Section 4.08 Future Subsidiary Note Guarantees.

If the Company or any Restricted Subsidiary acquires, creates or becomes a Material Domestic Subsidiary on or after the Issue Date, then that newly acquired or created Material Domestic Subsidiary must become a Guarantor and execute a supplemental indenture substantially in the form of Exhibit E hereto.

Section 4.09 Purchase of Notes upon a Change of Control Triggering Event.

(a) Unless the Company has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described in Section 3.03 (which may be conditioned on the consummation of such Change of Control Triggering Event), the Company must commence, prior to or within 30 days of the occurrence of a Change of Control Triggering Event, and consummate an Offer to Purchase for all Notes then outstanding, at a purchase price in cash equal to 101.0% of the aggregate principal amount of the Notes repurchased, *plus* accrued and unpaid interest thereon, to, but excluding, the date of repurchase, subject to the rights of Holders, on the relevant record date to receive interest due on the relevant interest payment date falling on or prior to the repurchase date. An Offer to Purchase may be made in advance of a Change of Control Triggering Event, and conditioned upon such Change of Control Triggering Event.

The Company will not be required to make an Offer to Purchase upon a Change of Control Triggering Event if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Company and purchases all Notes validly tendered and not validly withdrawn under such Offer to Purchase.

(b) The Company will not be required to make an Offer to Purchase upon a Change of Control Triggering Event if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Company and purchases all Notes validly tendered and not withdrawn under such Offer to Purchase.

Section 4.10 Limitation on Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Company will not, and will not permit any Restricted Subsidiary (other than the Guarantors) to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary (other than the Guarantors) to:

(1) pay dividends or make any other distributions on its Capital Stock (or with respect to any other interest or participation in, or measured by, its profits) to the Company or any Restricted Subsidiary (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);

(2) pay any liabilities owed to the Company or any of Restricted Subsidiary;

(3) make loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(4) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary.

(b) Section 4.10(a) will not apply to encumbrances or restrictions existing under, by reason of or with respect to:

(1) the Existing Indebtedness or any other agreements in effect on the Issue Date and any amendments, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings thereof; *provided* that the encumbrances and restrictions in any such amendments, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings, taken as a whole, are not, as determined by the Company or a direct or indirect parent of the Company in good faith, materially more restrictive than those contained in the Existing Indebtedness or such other agreements, as the case may be, as in effect on the Issue Date;

(2) this Indenture, the Notes and the Note Guarantees and other documents relating to this Indenture, the Notes or the Note Guarantees;

(3) applicable law, rule, regulation or order;

(4) any agreement or other instrument of a Person acquired by or merged or consolidated with or into the Company or any Restricted Subsidiary that was in existence at the time of such acquisition (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired;

(5) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Restricted Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of all or substantially all the Capital Stock or assets of such Restricted Subsidiary;

(6) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(7) encumbrances or restrictions arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary or (y) affect the Company's ability to make anticipated principal or interest payment on the Notes in any material respect (in each case as determined by the Company or a direct or indirect parent of the Company in good faith);

(8) encumbrances or restrictions that restrict distributions or transfers by a Restricted Subsidiary if such restrictions exist under, by reason of or with respect to any agreement for the sale or other disposition of all or substantially all of the Capital Stock of, or property and assets of, that Restricted Subsidiary and are pending such sale or other disposition;

(9) customary provisions contained in leases, licenses, contracts and other similar agreements entered into in the ordinary course of business to the extent imposing restrictions of the type described in clause (4) of Section 4.10(a) on the property subject to such lease;

- (10) customary provisions in joint venture agreements and other similar agreements entered into in the ordinary course of business and which the Board of Directors of the Company or a direct or indirect parent of the Company determines in good faith will not adversely affect the Company's ability to make payments of principal or interest on the Notes;
- (11) Secured Indebtedness otherwise permitted to be Incurred pursuant to Section 4.03 and Section 4.06 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;
- (12) any agreement or instrument relating to Indebtedness, Disqualified Stock or Preferred Stock of the Company or a Restricted Subsidiary permitted to be Incurred under this Indenture following the Issue Date if (A) the encumbrances or restrictions are not materially more disadvantageous to the Holders than is customary in comparable financings (as determined in good faith by the Company or a direct or indirect parent of the Company) and (B) either (x) the Company determines that such encumbrance or restriction will not adversely affect the Company's ability to make principal and interest payments on the Notes as and when they come due or (y) such encumbrances and restrictions only apply during the continuance of a default in respect of a payment or financial maintenance covenant default in respect of such Indebtedness;
- (13) customary provisions in (x) joint venture agreements entered into in the ordinary course of business with respect to the Equity Interests subject to the joint venture and (y) operating or other similar agreements, asset sale agreements and stock sale agreements entered into in connection with the entering into of such transaction, which limitation is applicable only to the assets that are the subject of those agreements;
- (14) purchase money obligations for property acquired, IRUs and Finance Lease Obligations in the ordinary course of business to the extent imposing restrictions on the property so acquired;
- (15) any encumbrance or restriction of a Receivables Subsidiary effected in connection with a Qualified Receivables Financing; *provided, however*, that such restrictions apply only to such Receivables Subsidiary and its assets;
- (16) other Indebtedness, Disqualified Stock or Preferred Stock of the Company or any Restricted Subsidiary that is Incurred subsequent to the Issue Date pursuant Section 4.03; *provided* that such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Company's ability to make anticipated principal or interest payment on the Notes (as determined by the Company or a direct or indirect parent of the Company in good faith);
- (17) Permitted Refinancing Indebtedness; *provided* that the encumbrances and restrictions contained in the agreements governing that Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced (as determined by the Company or a direct or indirect parent of the Company in good faith);
- (18) Indebtedness of non-Guarantor Subsidiaries permitted to be Incurred pursuant to the provisions of Section 4.03; and
- (19) any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (18) above; *provided* that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company or a direct or indirect parent of the Company, not materially more restrictive as a whole with

respect to such encumbrances or restrictions than prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

Section 4.11 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary; *provided* that:

(1) any Guarantee by the Company or any Restricted Subsidiary of any Indebtedness of the Subsidiary being so designated will, except to the extent repaid, be deemed to be an Incurrence of Indebtedness by the Company or such Restricted Subsidiary, as the case may be, at the time of such designation, and such Incurrence of Indebtedness would be permitted under Section 4.03;

(2) the aggregate Fair Market Value of all outstanding Investments owned by the Company and the Restricted Subsidiaries in the Subsidiary being so designated (including any Guarantee by the Company or any Restricted Subsidiary of any Indebtedness of such Subsidiary) will, except to the extent repaid, be deemed to be an Investment made as of the time of such designation and that such Investment would be permitted under Section 4.04;

(3) such Subsidiary does not hold any Capital Stock or Indebtedness of, or own or hold any Lien on any property or assets of, or have any Investment in, the Company or any Restricted Subsidiary;

(4) the Subsidiary being so designated:

(i) is not party to any agreement, contract, arrangement or understanding with the Company or any Restricted Subsidiary unless the terms of any such agreement, contract, arrangement or understanding are no less favorable to the Company or such Restricted Subsidiary than those that might be obtained at the time from Persons who are not Affiliates of the Company;

(ii) is a Person with respect to which neither the Company nor any Restricted Subsidiary has any direct or indirect obligation (i) to subscribe for additional Equity Interests or (ii) to maintain or preserve such Person's financial condition or to cause such Person to achieve any specified levels of operating results; and

(iii) has not Guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of the Company or any Restricted Subsidiary, except to the extent such Guarantee or credit support would be released upon such designation; and

(5) no Default or Event of Default would be in existence following such designation.

Any designation of a Restricted Subsidiary as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee the Board Resolution giving effect to such designation and an Officer's Certificate and an Opinion of Counsel certifying that such designation complied with the preceding conditions and was permitted by this Indenture. If, at any time, any Unrestricted Subsidiary would fail to meet any of the preceding requirements described in clause (4) above, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture, and any Indebtedness, Investments or Liens on the property of such Subsidiary will be deemed to be Incurred or made by a Restricted Subsidiary as of such date, and if such Indebtedness, Investments or Liens are not permitted to be Incurred or made as of such date under this Indenture, the Company will be in default under this Indenture.

(b) The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided that*:

(1) such designation will be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary and such designation will only be permitted if such Indebtedness is permitted under Section 4.03;

(2) all outstanding Investments owned by such Unrestricted Subsidiary will be deemed to be made as of the time of such designation and such designation will only be permitted if such Investments would be permitted under Section 4.04;

(3) all Liens upon property or assets of such Unrestricted Subsidiary existing at the time of such designation would be permitted under Section 4.06; and

(4) no Default or Event of Default would be in existence following such designation.

Section 4.12 Provision of Financial Information.

(a) Whether or not the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company will deliver to the Trustee and, upon written request, the Holders:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company was required to file such forms, including, but not limited to, a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and, with respect to the annual information only, a report on the annual financial statements by the Company’s certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company was required to file such reports.

(b) In the event that the Company is not required to file such reports, documents and information with the SEC pursuant to the Exchange Act, the Company will nevertheless deliver such Exchange Act information to the Trustee and the Holders as if the Company were subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act (1) in the case of quarterly reports, within 15 days after the time period specified in the SEC’s rules and regulations and (2) in the case of annual reports, within 30 days after the time period specified in the SEC’s rules and regulations. The posting of such reports, documents and information to the SEC’s or the Company’s website shall constitute delivery of such information to the Trustee and the Holders. In addition, in the event the Company and Cogent Holdco are not required to file reports under Section 13 or 15(d) of the Exchange Act, the Company will hold a quarterly conference call with Holders, qualified prospective investors and securities analysts to discuss the information contained in the annual and quarterly reports required hereunder not later than ten Business Days following the time the Company furnishes such reports to the Trustee.

(c) If the Company has designated as Unrestricted Subsidiaries any of its Subsidiaries that is a Significant Subsidiary or that, when taken together with all other Unrestricted Subsidiaries, would be a Significant Subsidiary, then the quarterly and annual financial information required by this Section 4.12 will include a reasonably detailed presentation (which need not be audited or reviewed by the auditors), either on the face of the financial statements or in the footnotes thereto, and in “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of the Company and the

Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries.

(d) So long as any Notes remain outstanding the Company and the Guarantors shall furnish to the Holders and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4).

(e) Notwithstanding the foregoing clauses (a) through (d), for so long as the Company is a wholly owned Subsidiary of Cogent Holdco, the financial statements referred to above may be the financial statements of Cogent Holdco or a Subsidiary so long as reasonably detailed information (which need not be audited or reviewed by the auditors) is provided showing the assets, liabilities and operating results that are not attributable to the Company and its Subsidiaries.

(f) The Company will be deemed to have satisfied the information and reporting requirements of Section 4.12(a) with respect to the Holders if (a) the Company or a Subsidiary or a direct or indirect parent has filed such reports containing such information (including the information required pursuant to Section 4.12(e), which, for the avoidance of doubt, need not be filed with the SEC via EDGAR to the extent it is otherwise provided to Holders pursuant to this Section 4.12) with the SEC via the EDGAR (or a successor) filing system or (b) the Company or such Subsidiary or such parent has made such reports available electronically (including by posting to a non-public, password-protected website as provided above) pursuant to this Section 4.12.

(g) The Trustee shall have no duty to determine if any of the filings described above have been made. Delivery of reports, information and documents to the Trustee under this Indenture is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein, or determinable from information contained therein, including the Company's compliance with any of its covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate). The Trustee shall have no duty to review or analyze reports delivered to it.

(h) Delivery of reports, information and documents to the Trustee pursuant to this Section 4.13 is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officer's Certificate).

Section 4.13 Statement by Officers as to Default.

(a) The Company will deliver to the Trustee, on or before a date not more than 120 days after the end of each fiscal year of the Company (which fiscal year ends on December 31) after the Issue Date, an Officer's Certificate, as to compliance herewith, including whether or not, after a review of the activities of the Company during such year and of the Company's and each Guarantor's performance under this Indenture, to the best knowledge of the signer on behalf of the Company, based on such review of the signer thereof, the Company and each Guarantor are in compliance with all conditions and covenants under this Indenture and is or is not in default in the performance and observance of any of the terms, provisions and conditions of this Indenture and, if there has been a Default specifying each Default and the nature and status thereof and any actions being taken by the Company and the Guarantors with respect thereto.

(b) When any Default or Event of Default has occurred and is continuing, the Company shall deliver to the Trustee by registered or certified mail or facsimile transmission of an Officer's Certificate specifying such Default or Event of Default, within 30 days of an Officer of the Company becoming aware of the occurrence of such Default or Event of Default and specifying any actions being taken by the Company and the Guarantors with respect thereto (unless such Default or Event of Default has been cured or waived within such 30-day time period).

Section 4.14 Discharge and Suspension of Covenants.

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from two of the Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a “Covenant Suspension Event”), (x) the Note Guarantees will be automatically and unconditionally released and discharged and (y) the Company and its Restricted Subsidiaries will not be subject to the following covenants or provisions (collectively, the “Suspended Covenants”):

- (1) Section 4.03;
- (2) Section 4.04;
- (3) Section 4.05;
- (4) Section 4.07;
- (5) Section 4.08;
- (6) Section 4.10; and
- (7) clause (3) of Section 5.01(a).

(b) In the event that, after a Covenant Suspension Event, the Notes no longer have an Investment Grade Rating from two of the Rating Agencies (the date of such event, the “Reversion Date”), then the Company and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events and the Guarantors shall be required to provide the Note Guarantees that were released and discharged.

(c) The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to in this description as the “Suspension Period.” Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Available Cash shall be reset at zero. With respect to Restricted Payments made after the Reversion Date, the amount of Restricted Payments made will be calculated as though Section 4.04 had been in effect prior to, but not during, the Suspension Period. No Subsidiary may be designated as an Unrestricted Subsidiary during the Suspension Period, unless such designation would have complied with Section 4.04 as if such covenant were in effect during such period. In addition: (i) for purposes of Section 4.03, all Indebtedness Incurred, and Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified to have been Incurred or issued pursuant to clause (2) of the definition of “Permitted Indebtedness”; (ii) for purposes of Section 4.05, all agreements and arrangements entered into by the Company or any Restricted Subsidiary with an Affiliate of the Company during the Suspension Period will be deemed to have been entered into pursuant to clause (5) of Section 4.05(b); and (iii) for purposes of Section 4.10, all contracts entered into during the Suspension Period that contain any of the restrictions contemplated by such covenant will be deemed to have been entered into pursuant to clause (1) of Section 4.10(b).

(d) During the Suspension Period, the Company and its Restricted Subsidiaries will be entitled to incur Liens permitted under Section 4.06 (including, without limitation, Permitted Liens). To the extent such covenant and any Permitted Liens refer to one or more Suspended Covenants, such covenant or definition shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 4.06 and the “Permitted Liens” definition and for no other covenant).

(e) During the Suspension Period, any reference in the definition of “Unrestricted Subsidiary” or “Permitted Liens” to Section 4.03 or any provision thereof shall be construed as if such covenant had remained in effect since the Issue Date and during the Suspension Period.

(f) Upon the Reversion Date, the obligation to grant Note Guarantees pursuant to Section 4.08 will be reinstated.

(g) Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of any failure to comply with the Suspended Covenants during any Suspension Period and the Company and any Restricted Subsidiary of the Company will be permitted, without causing a Default or Event of Default or breach of any of the Suspended Covenants (notwithstanding the reinstatement thereof) under this Indenture, to honor, comply with or otherwise perform any contractual commitments or obligations entered into during a Suspension Period (to the extent not entered into in contemplation of the Reversion Date occurring) following a Reversion Date and to consummate the transactions contemplated thereby; provided that, to the extent any such commitment or obligation results in the making of a Restricted Payment, such Restricted Payment shall be made under Section 4.04(a)(3) or Section 4.04(b) and, if not permitted by any of such provisions, such Restricted Payment shall be deemed permitted under Section 4.04(a)(3) and shall be deducted for purposes of calculating the amount pursuant to such clause (3) (which may not be less than zero).

(h) The Company shall provide an Officer's Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee will have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on the Company's and its Restricted Subsidiaries' future compliance with their covenants, (iii) notify the Holders of any Covenant Suspension Event or Reversion Date or (iv) monitor the Investment Grade Ratings of the Notes.

Section 4.15 Measuring Compliance.

(a) With respect to (x) any Limited Condition Transaction and (y) any repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock with respect to which an irrevocable notice of repayment has been delivered (an "Irrevocable Repayment"):

- (1) whether any Indebtedness, Disqualified Stock or Preferred Stock (including acquired Indebtedness, Disqualified Stock and Preferred Stock) that is being Incurred, or that is being Incurred in connection with such Limited Condition Transaction or Irrevocable Repayment is permitted to be Incurred in compliance with Section 4.03;
- (2) whether any Lien being Incurred, or that is being Incurred in connection with such Limited Condition Transaction or Irrevocable Repayment is permitted to be Incurred in compliance with Section 4.06 or the definition of "Permitted Liens";
- (3) whether any other transaction to be undertaken in connection with such Limited Condition Transaction or Irrevocable Repayment or Incurrence of Indebtedness, Disqualified Stock or Preferred Stock (including any dispositions, investments, acquisitions, Restricted Payments, mergers, fundamental changes or designations of Restricted Subsidiaries or Unrestricted Subsidiaries) complies with the covenants or agreements contained in this Indenture or the Notes; and
- (4) any calculation of the ratios, baskets or financial metrics, including Consolidated Cash Flow, Consolidated Leverage Ratio, Consolidated Net Income, Consolidated Total Assets, Fixed Charge Coverage Ratio, Fixed Charges and Secured Leverage Ratio and baskets determined by reference to Consolidated Cash Flow, Consolidated Total Assets, Indebtedness or Secured Indebtedness, and whether a Default, Event of Default or Specified Event of Default exists, in each case, in connection with such Limited Condition Transaction or Irrevocable Repayment;

at the option of the Company (the “Testing Party”), the date that the definitive agreements (or other relevant definitive documentation) are entered into for such Limited Condition Transaction or Irrevocable Repayment (the “Transaction Commitment Date”) may be used as the applicable date of determination, as the case may be, in each case, with such *pro forma* adjustments as are appropriate and consistent with the *pro forma* adjustment provisions set forth in the definition of “Consolidated Leverage Ratio” or “Consolidated Net Income.” For the avoidance of doubt, if the Company elects to use the Transaction Commitment Date as the applicable date of determination in accordance with the foregoing, (a) (x) any fluctuation or change in (i) Consolidated Cash Flow, Consolidated Leverage Ratio, Consolidated Net Income, Consolidated Total Assets, Fixed Charge Coverage Ratio, Fixed Charges, Indebtedness, Secured Indebtedness and Secured Leverage Ratio and/or (ii) the applicable exchange rate utilized in calculating compliance with any dollar-based provision of this Indenture from the Transaction Commitment Date to the date of consummation of such Restricted Payment, Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing or Incurrence of Indebtedness, Disqualified Stock or Preferred Stock, in each case, in connection with such Limited Condition Transaction or Irrevocable Repayment, will not be taken into account for purposes of determining whether any Indebtedness, Disqualified Stock, Preferred Stock or Lien that is being Incurred in connection with the foregoing, or in connection with compliance by the Company or any of its Restricted Subsidiaries with any other provision of this Indenture or the Notes or any other transaction or action undertaken in connection with such Restricted Payment, Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing or Incurrence of Indebtedness, Disqualified Stock or Preferred Stock, is permitted to be Incurred, and (y) such baskets, ratios or financial metrics shall not be tested at the time of consummation of such Restricted Payment, Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing or Incurrence of Indebtedness, Disqualified Stock or Preferred Stock, in each case, in connection with such Limited Condition Transaction or Irrevocable Repayment (*provided, however*, that until such Limited Condition Transaction or Irrevocable Repayment is consummated or such definitive agreements (or other relevant definitive documentation) are terminated (or notice expires), such Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing and all transactions proposed to be undertaken in connection therewith (including the Incurrence of Indebtedness, Disqualified Stock, Preferred Stock and Liens) will be given *pro forma* effect when determining compliance of other transactions (including the Incurrence of Indebtedness, Disqualified Stock, Preferred Stock and Liens unrelated to such Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing) that are consummated after the Transaction Commitment Date and on or prior to the date of consummation of such Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing, and any such transactions (including any incurrence of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof) will be deemed to have occurred on the date the definitive agreements (or other relevant definitive documentation) are entered into, and deemed to be outstanding thereafter for purposes of calculating any baskets, ratios or financial metrics under this Indenture after the date of such definitive agreement (or other relevant definitive documentation) and before the date of consummation of such Investment, acquisition, merger or similar transaction or repayment, repurchase or refinancing. In addition, this Indenture will provide that compliance with any requirement relating to the absence of a Default, Event of Default or Specified Event of Default may be determined as of the Transaction Commitment Date and not as of any later date as would otherwise be required under this Indenture. Notwithstanding anything to the contrary, in connection with a Testing Party’s election to use a Transaction Commitment Date pursuant to this paragraph, any reference to “date of incurrence” or “time of incurrence” or other similar phrases with respect to the date or time an action is taken herein will mean the Transaction Commitment Date.

(b) Accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or Preferred Stock in the form of additional shares of Disqualified Stock or Preferred Stock of the same class, the accretion of liquidation preference or maximum fixed repurchase price and increases in the amount of Indebtedness, Disqualified Stock or Preferred Stock outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness, Disqualified Stock or Preferred Stock will not be deemed to be an Incurrence of Liens, Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Indenture.

(c) For purposes of calculating any ratio-based basket, with respect to any revolving Indebtedness, delayed draw facility or other committed debt financing Incurred under such ratio-based basket, the Company may elect (which election may not be changed with respect to such Indebtedness), at any time, to either (x) give *pro forma* effect to the Incurrence of the entire committed amount of such Indebtedness, in which case such committed amount may thereafter be borrowed or reborrowed, in whole or in part, from time to time, without further compliance with any ratio-based component of any provision of this Indenture, or (y) give *pro forma* effect to the Incurrence of the actual amount drawn under such revolving Indebtedness, delayed draw facility or other committed debt financing, in which case, the ability to Incur the amounts committed to under such Indebtedness will be subject to such ratio-based basket (to the extent being Incurred pursuant to such ratio) at the time of each such Incurrence. To the extent clause (x) of the immediately preceding sentence is elected, such revolving Indebtedness, delayed draw facility or other committed debt financing shall be deemed to be Incurred (and the fully committed amount of Indebtedness as outstanding) at all times thereafter for purposes of testing any ratio-based baskets, regardless of whether such Indebtedness is outstanding, until such commitments have been permanently terminated in full.

(d) Notwithstanding anything in this Indenture to the contrary, unless the Company elects otherwise, if, on any date, the Company or any of its Restricted Subsidiaries in connection with any transaction or series of related transactions (A) utilizes a ratio-based basket and (B) utilizes a non-ratio-based basket, then the applicable ratio will be calculated on such date with respect to any usage under the applicable ratio-based basket without giving effect to the usage under such non-ratio-based basket made in connection with such transaction or series of related transactions.

(e) To the extent the date of any delivery of any document required to be delivered pursuant to any provision of this Indenture falls on a day that is not a Business Day, the applicable required date of delivery shall be deemed to be the next succeeding Business Day.

(f) For purposes of determining the maturity date of any Indebtedness, customary bridge loans that are subject to customary conditions (including no payment or bankruptcy event of default) that would either automatically be extended as, converted into or required to be exchanged for permanent refinancing shall be deemed to have the maturity date as so extended, converted or exchanged.

(g) Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale or transfer or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

ARTICLE 5

SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of Assets.

(a) The Company will not, directly or indirectly: (x) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation) or (y) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

- (1) immediately after giving effect to such transaction, no Default or Event of Default exists;
- (2) either:
 - (a) the Company is the surviving corporation; or
 - (b) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (i) is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia or any territory thereof (*provided* that in the case where such Person is not a corporation, a co-obligor of the Notes is a corporation organized or existing under such laws) and (ii) assumes all the obligations of the Company under the Notes and this Indenture pursuant to a supplemental indenture;
- (3) immediately after giving effect to such transaction on a pro forma basis, (i) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition will have been made, will be permitted to incur at least \$1.00 of additional indebtedness as Ratio Debt; or (ii) (x) the Consolidated Leverage Ratio is positive and less than or equal to the Company's Consolidated Leverage Ratio immediately prior to such transaction or (y) the Fixed Charge Coverage Ratio is greater than or equal to the Company's Fixed Charge Coverage Ratio immediately prior to such transaction;
- (4) if the Person formed by or surviving any such consolidation or merger is other than the Company, each Guarantor, unless such Guarantor is the Person with which the Company has entered into a transaction under this covenant, will have confirmed to the Trustee in writing that its Note Guarantee will apply to the obligations of the surviving Person in accordance with the Notes and this Indenture; and
- (5) the Company delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case stating that such transaction, such agreement and such supplemental indenture comply with this covenant and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with;

provided that clause (3) above will not apply: (i) if, in the good faith determination of the Board of Directors of the Company or a direct or indirect parent of the Company, whose determination shall be evidenced by a Board Resolution, the principal purpose of such transaction is to change the state of incorporation of the Company, and such transaction does not have as one of its purposes the evasion of the foregoing limitations; or (ii) to any consolidation, merger, sale, assignment, transfer, conveyance or other disposition of assets between or among the Company and any Guarantor.

Upon any consolidation, merger, sale, assignment, transfer, conveyance or other disposition in accordance with Section 5.01, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, conveyance or other disposition is made will succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, conveyance or other disposition, the provisions of this Indenture referring to the "Company" will refer instead to the successor Person and not to the Company), and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company in this Indenture, and the Company will automatically be released and discharged from its obligations under this Indenture and the Notes. Notwithstanding the foregoing, and so long as the requirements of clause (2) of the preceding paragraph, to the extent applicable, are complied with, (a) any Restricted Subsidiary may consolidate with, merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to the Company, (b) the Company may merge or consolidate with an Affiliate incorporated or organized solely for the purpose of reincorporating or reorganizing the Company in another state of the United States, the District of Columbia or any territory of the United States so long

as the amount of Indebtedness and Liens of the Company and its Restricted Subsidiaries is not increased thereby (unless such increase is permitted by this Indenture), (c) the Company may convert into a limited partnership or limited liability company existing under the laws of the jurisdiction of organization of the Company so long as the Company causes a corporation to be a co-obligor under the Notes and (d) the Company may change its name.

(b) Other than Cogent Holdco, a Guarantor will not, directly or indirectly: (x) consolidate or merge with or into another Person (whether or not such Guarantor is the surviving Person) or (y) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties and assets of the Guarantor, in one or more related transactions, to another Person, other than the Company or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) either:

(a) (x) the Guarantor is the surviving corporation or (y) the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition which has been made (i) is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia or any territory thereof and (ii) assumes all the obligations of that Guarantor under this Indenture, including its Note Guarantee pursuant to a supplemental indenture; or

(b) such sale, assignment, transfer, lease, conveyance or other disposition or consolidation or merger complies with Section 4.07 to the extent applicable on the date of the subject transaction.

(c) Upon any consolidation, merger, sale, assignment, transfer, conveyance or other disposition in accordance with this Section 5.01, the successor Person formed by such consolidation or into or with which a Guarantor is merged or to which such sale, assignment, transfer, conveyance or other disposition is made will succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, conveyance or other disposition, the provisions of this Indenture referring to the "Guarantor" will refer instead to the successor Person and not to such Guarantor), and may exercise every right and power of, such Guarantor under this Indenture and the Note Guarantees with the same effect as if such successor Person had been named as a Guarantor in this Indenture and the Note Guarantees, and such Guarantor will automatically be released and discharged from its obligations under this Indenture and such Guarantor's Note Guarantee.

(d) Notwithstanding the foregoing, and so long as the requirements of clause (2) of Section 5.01(b) are complied with, (1) any Restricted Subsidiary may consolidate with, merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to a Guarantor, (2) a Guarantor may merge or consolidate with an Affiliate incorporated or organized solely for the purpose of reincorporating or reorganizing such Guarantor in another state of the United States, the District of Columbia or any territory of the United States, so long as the amount of Indebtedness and Liens of the Guarantor is not increased thereby (unless such increase is permitted by this Indenture), (3) a Guarantor may merge into or sell, assign, transfer, lease, convey or otherwise dispose of all or part of its properties and assets to another Guarantor or the Company, (4) a Guarantor may convert into a corporation, partnership, limited partnership, limited liability company or trust organized or existing under the laws of the jurisdiction of organization of such Guarantor or the laws of the United States, any state thereof or the District of Columbia or any territory thereof so long as the Note Guarantee provided by such Guarantor under the laws of such other jurisdiction is substantially equivalent to the Note Guarantee provided under the laws of the jurisdiction of formation of such Guarantor prior to such conversion and (5) any Guarantor may change its name.

(e) Notwithstanding the foregoing, for the avoidance of doubt, no restriction under this Section 5.01 shall limit the ability of any non-Guarantor Subsidiary or Unrestricted Subsidiary to engage in any merger,

consolidation or sale of all or substantially all assets so long as such transaction is otherwise permitted under this Indenture.

ARTICLE 6

Section 6.01 Events of Default.

- (a) Each of the following is an “Event of Default”:

(8) the Company, any Significant Subsidiary or any group of Restricted Subsidiaries that collectively (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary (a) commences a voluntary case or proceeding in respect of the Company, such Significant Subsidiary or such group of Restricted Subsidiaries under any applicable Bankruptcy Code or any other case or proceeding to be adjudicated bankrupt or insolvent, (b) consents to the entry of a decree or order for debt relief in respect of the Company, such Significant Subsidiary or such group of Restricted Subsidiaries in an involuntary case or proceeding under any applicable Bankruptcy Code or to the commencement of any bankruptcy or insolvency case or proceeding against it, (c) consents to the filing of such petition for the appointment of, or taking possession by, a custodian of the Company, such Significant Subsidiary or such group of Restricted Subsidiaries or of substantially all of the assets of the Company or such Significant Subsidiary, (d) makes a general assignment for the benefit of creditors or (e) admits in writing its inability to pay its debts generally as they become due.

(b) In the event of any Event of Default specified in Section 6.01(a)(4), such Event of Default and all consequences thereof will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if prior to 30 days after such Event of Default arose, the Company delivers an Officer's Certificate to the Trustee stating that (x) the Indebtedness or Guarantee that is the basis for such Event of Default has been discharged, (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default or (z) the default that is the basis for such Event of Default has been cured.

Section 6.02 Acceleration.

If an Event of Default (other than as specified in Section 6.01(a)(7) or (8)) shall occur and be continuing with respect to this Indenture, the Trustee or the Holders of at least 25.0% in aggregate principal amount of the then-outstanding Notes may declare all unpaid principal of, premium, if any, and accrued interest on all Notes to be due and payable immediately, by a notice in writing to the Company (with a copy to the Trustee if notice is provided by the Holders) specifying the Event of Default. If an Event of Default specified in Section 6.01(a)(7) or (8) occurs and is continuing, then all outstanding Notes shall become due and payable immediately in an amount equal to the principal amount of the Notes, together with accrued and unpaid interest, if any, to the date the Notes become due and payable, without any declaration or other act on the part of the Trustee or any Holder.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

The Holders of a majority in aggregate principal amount of the then-outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, waive, rescind or cancel any existing Default or Event of Default and its consequences hereunder if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then-outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, rescission or cancellation of a Default or Event of Default, any such Default or Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

Subject to the terms of this Indenture and provision of an indemnity satisfactory to the Trustee, the Holders of a majority in aggregate principal amount of the then-outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any right, power or remedy available to the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee's personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders (it being understood that the Trustee shall not have any duty to determine whether such action is prejudicial to any Holder).

Section 6.06 Limitation on Suits.

Subject to Section 6.07, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless: (1) the Holder gives the Trustee written notice of a continuing Event of Default; (2) the Holders of at least 25.0% in aggregate principal amount of outstanding Notes make a written request to the Trustee to pursue the remedy; (3) such Holder or Holders offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any costs, liability, loss or expense; (4) the Trustee does not comply with the request within 60 days after receipt of the request and the provision of indemnity; and (5) during such 60-day period, the Holders of a majority in aggregate principal amount of the then-outstanding Notes do not give the Trustee a written direction that is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain preference or priority over another Holder.

Section 6.07 Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer pursuant to Section 4.07 or Section 4.09), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the compensation, reasonable expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings or any other proceedings, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies hereunder of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, reasonable expenses, disbursements and advances of the Trustee and its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each

Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee and its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

- (i) to the Trustee, Paying Agent, Registrar, Transfer Agent, their agents and attorneys for amounts due under Section 7.07, including payment of all compensation, expenses, fees, costs and liabilities incurred, and all advances made, by the Trustee, Paying Agent, Registrar or Transfer Agent and the costs and expenses of collection;
- (ii) to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and
- (iii) to the Company or to such party as a court of competent jurisdiction shall direct, including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then-outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the form requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it is proved by a final order of a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts; and

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (e) of this Section 7.01 and Section 7.02(f).

(e) The Trustee shall not be under any obligation to exercise any of its rights, powers or remedies under this Indenture at the request or direction of any of the Holders unless the Holders have offered, and if requested, provided to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection

from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if an indemnity satisfactory to it against such risk or liability is not assured to it.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(h) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder. Absent willful misconduct or gross negligence, the Trustee shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(j) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(k) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(l) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(m) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict

within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall send to Holders a notice of the Default within the later of 90 days after it occurs, or promptly after the Trustee obtains knowledge thereof. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders. The Trustee shall not be deemed to know of any Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a Default is received by the Trustee at the Corporate Trust Office of the Trustee and such notice references this Indenture and states that it is a "notice of default." The receipt of reports, information and documents delivered to the Trustee pursuant to Section 4.13 shall not constitute actual knowledge or the receipt of written notice of any Default on the part of the Trustee.

Section 7.06 [Reserved].

Section 7.07 Compensation and Indemnity.

The Company and the Guarantors, jointly and severally, shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and the other Notes Documents and services hereunder and thereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company and the Guarantors, jointly and severally, shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold the Trustee harmless against, any and all loss, damage, claims, liability or expense (including attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder or under the other Notes Documents (including the costs and expenses of enforcing this Indenture and the other Notes Documents against the Company or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Company, any Guarantor or other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder or thereunder). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company and the Guarantors need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence.

The obligations of the Company under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

Notwithstanding anything contrary in Section 4.06 hereto, to secure the payment obligations of the Company and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(7) or (8) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Code.

Section 7.08 Replacement of Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and the Registrar, Paying Agent and Transfer Agent may resign with 60 days' prior written notice and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then-outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing and may remove the Registrar, Paying Agent or Transfer Agent by so notifying such Registrar, Paying Agent or Transfer Agent, as applicable, with 90 days' prior written notice. The Company may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Code;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then-outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in aggregate principal amount of the then-outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, and upon payment of the retiring Trustee's fees and expenses (including the fees and expenses of its agents and counsel), the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

As used in this Section 7.08 (except with respect to the first paragraph), the term “Trustee” shall also include each of the Paying Agent, Registrar and Transfer Agent, as applicable.

Section 7.09 Successor Trustee by Merger, Etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation or national banking association organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance and/or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Company’s exercise under Section 8.01 of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Note Guarantees and cure all then-existing Defaults and Events of Default on the date the conditions set forth below are satisfied (“Legal Defeasance”). If the Company exercises the Legal Defeasance option, the Note Guarantees in effect at such time will terminate and any collateral then securing the Notes or the Note Guarantees shall be released. For this purpose, Legal Defeasance means that the Company and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and Note Guarantees, which shall thereafter be deemed to be “outstanding” only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all their other obligations under such Notes, Note Guarantees and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.04;
- (b) the Company’s obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Company’s and the Guarantors’ obligations in connection therewith; and

(d) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under the covenants contained in Article 4 (other than Sections 4.01 and 4.13), clauses (1), (3), (4) and (5) of Section 5.01(a), and Section 5.01(b) with respect to the outstanding Notes and Note Guarantees on and after the date the conditions set forth in Section 8.04 are satisfied ("Covenant Defeasance"), the Note Guarantees will be released pursuant to Section 13.06, any collateral then securing the Notes or the Note Guarantees shall be released and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any default thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6), 6.01(a)(7) (solely with respect to Restricted Subsidiaries that are Significant Subsidiaries or any group of Restricted Subsidiaries that collectively (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) and 6.01(a)(8) (solely with respect to Restricted Subsidiaries or any group of Restricted Subsidiaries that collectively (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) shall not constitute Events of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Notes:

(1) the Company must irrevocably deposit or cause to be deposited with the Paying Agent, for the benefit of the Holders, cash in U.S. dollars, Government Securities or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, and interest and premium, if any, on, the outstanding Notes on the Stated Maturity or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (b) since the Issue Date, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall state that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax

on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel stating that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default under Section 6.01(a)(7) or 6.01(a)(8) shall have occurred and be continuing at any time in the period ending on the 91st day after the date of deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument to which the Company is a party or by which the Company is bound;

(6) the Company must have delivered to the Trustee an Opinion of Counsel to the effect that, assuming no intervening bankruptcy of the Company or any Guarantor between the date of deposit and the 91st day following the deposit and assuming that no Holder is an “insider” of the Company under applicable bankruptcy law, after the 91st day following the deposit, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors’ rights generally, including Section 547 of the United States Bankruptcy Code and Section 15 of the New York Debtor and Creditor Law;

(7) the Company must deliver to the Trustee an Officer’s Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding creditors of the Company or others;

(8) if the Notes are to be redeemed prior to their Stated Maturity, the Company must deliver to the Trustee and the Paying Agent irrevocable instructions to redeem all of the Notes on the specified redemption date under arrangement satisfactory to each of the Trustee and the Paying Agent for the giving of notice of such redemption by the Paying Agent in the Company’s name and at the Company’s expense; and

(9) the Company must deliver to the Trustee an Officer’s Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance, as applicable, have been complied with.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) of this paragraph with respect to a Legal Defeasance need not be delivered if all Notes not theretofore delivered to the Registrar for cancellation (x) have become due and payable or (y) will become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee and the Paying Agent for the giving of notice of redemption by the Paying Agent in the name, and at the expense, of the Company.

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “Trustee”) pursuant

to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the written request of the Company any money or Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(2)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Company.

Subject to any applicable law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, and interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, and interest has become due and payable shall be paid to the Company on its written request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture, the Notes and the Note Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided* that, if the Company makes any payment of principal of, premium, if any, and interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

Notwithstanding Section 9.02, the Company, any Guarantor and the Trustee may amend or supplement this Indenture, the Notes or any Note Guarantee without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);
- (3) to provide for the assumption of the Company's or any Guarantor's obligations to Holders and Note Guarantees in accordance with this Indenture in the case of a merger or consolidation or sale of all or substantially all of the Company's or such Guarantor's assets;
- (4) to make any change that would not materially adversely affect the legal or contractual rights under this Indenture of any such Holder;
- (5) to add to the covenants of the Company for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;
- (6) (a) to add or release Note Guarantees in accordance with the terms of this Indenture with respect to the Notes or (b) to add one or more co-issuers of the Notes as required under Section 5.01(a);
- (7) to evidence and provide for the acceptance of appointment by a successor Trustee;
- (8) to conform this Indenture, the Notes or any Note Guarantee to any provision of the "Description of Notes" in the Offering Memorandum to the extent such provision is intended to be a verbatim recitation thereof;
- (9) to secure the Notes;
- (10) [reserved];
- (11) [reserved];
- (12) to comply with any requirement of the SEC in connection with any qualification of this Indenture under the U.S. Trust Indenture Act of 1939, as amended;
- (13) to make any amendment to the provisions of this Indenture relating to the transfer and legending of the Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes; or
- (14) to provide for the issuance of Additional Notes under this Indenture in compliance with the terms hereof.

Section 9.02 With Consent of Holders.

Except as provided below in this Section 9.02, the Company, each Guarantor party thereto, if any, and the Trustee may amend or supplement this Indenture, the Notes or the Note Guarantees with the consent of the Holders

of at least a majority in aggregate principal amount of the Notes (including Additional Notes, if any) then outstanding (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and, subject to Sections 6.04 and 6.07, any existing or past Default or Event of Default or compliance with any provision of this Indenture, the Notes and the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then-outstanding Notes (including Additional Notes, if any) (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), other than the Notes beneficially owned by the Company or its Affiliates. Section 2.08 and Section 2.09 shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

A Note does not cease to be outstanding because the Company or any Affiliate of the Company holds the Note; *provided* that, in determining whether the Holders of the requisite majority of outstanding Notes have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Notes owned by the Company or any Affiliate of the Company shall be disregarded and deemed not to be outstanding.

Without the consent of each Holder of an outstanding Note affected (including Notes beneficially owned by the Company or its Affiliates), an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the percentage or amount of the aggregate principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) change the Stated Maturity of the principal of any Note, or change the date on which any installment of interest is due or scheduled to be paid on, any Note;
- (3) reduce the principal amount of, or premium, if any, or interest on, any Note;
- (4) change the optional redemption dates or optional redemption prices of the Notes from those stated under Section 3.07 (other than any change to the notice periods with respect to such redemption);
- (5) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the Notes (except, upon a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes, a waiver of a nonpayment default and a waiver of the payment default that resulted from such acceleration);
- (6) make any Note payable in money other than U.S. dollars;
- (7) make any change in the amendment and waiver provisions of this Indenture that requires each Holder’s consent;
- (8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;
- (9) impair the right to institute suit for the enforcement of any payment on or with respect to the Notes or the Note Guarantees; and
- (10) amend, change or modify the obligation of the Company to make and consummate an Offer to Purchase with respect to any Asset Sale in accordance with Section 4.07 after the obligation to make such Offer to Purchase has arisen, or the obligation of the Company to make and consummate an Offer to Purchase in the event of

a Change of Control in accordance with Section 4.09 after such Change of Control has occurred, including, in each case, amending, changing or modifying any definition relating thereto.

It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall mail to the Holders a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of such amendment, supplement or waiver.

For the avoidance of doubt, the provisions hereunder with respect to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control Triggering Event, including the definition of "Change of Control," or an Asset Sale may be waived or modified at any time (including after a Change of Control) with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

Section 9.03 Compliance with Trust Indenture Act.

For the avoidance of doubt, no amendment to, or waiver or deletion of, any of the covenants in Article 4 (other than Section 4.01 and Section 4.13) shall be deemed to impair or affect any rights of Holders to institute suit for the enforcement of any payment on or with respect to, or to receive payment of principal of, or premium, if any, or interest on, the Notes.

Section 9.04 Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder; provided that any amendment or waiver that requires the consent of each affected Holder shall not become effective with respect to any non-consenting Holder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver, whether or not such Persons continue to be Holders after such record date.

Section 9.05 Notation on or Exchange of Notes.

The Trustee at the request of the Company may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, Etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment, supplement or waiver until the Board of Directors approves it. In executing any amendment, supplement or waiver, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 15.02, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof. Notwithstanding the foregoing, no Opinion of Counsel will be required for the Trustee to execute any amendment or supplement in the form of Exhibit E hereto adding a new Guarantor under this Indenture or releasing a Guarantor pursuant to Section 13.06.

GUARANTEES

Section 13.01 Guarantee.

Subject to this Article 13, each of the Guarantors hereby, jointly and severally, guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right

to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 13.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantees.

Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Note Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Note Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

As used in this Section 13.01, the term "Trustee" shall also include each of the Paying Agent, Registrar and Transfer Agent, as applicable.

Section 13.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from,

rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 13, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Note Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's *pro rata* portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 13.03 Execution and Delivery.

To evidence its Note Guarantee set forth in Section 13.01, each Guarantor hereby agrees that this Indenture shall be executed on behalf of such Guarantor by the Chief Executive Officer, the President, the Chief Financial Officer, the Treasurer, the Controller, any Executive Vice President, any Senior Vice President, any Vice President, the Secretary or any Assistant Secretary of the Guarantor or the sole member of the Guarantor, as the case may be, or any other officers of such Guarantor or such sole member, as the case may be, acting at the direction of any such foregoing officer. Neither the Company nor the Guarantors shall be required to make a notation on the Notes to reflect any Note Guarantee or any release, termination or discharge thereof, and any such notation shall not be a condition to the validity of any Note Guarantee.

If an Officer whose signature is on this Indenture or on a Note no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 13.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 13.01; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 13.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 13.06 Release of Guarantees.

A Note Guarantee of a Guarantor will be automatically and unconditionally released (and thereupon shall terminate and be discharged and be of no further force and effect):

- (1) in connection with any sale or other disposition (including by merger or otherwise) of (x) Capital Stock of the Guarantor after which such Guarantor is no longer a Subsidiary of the Company, if the sale of all such Capital Stock of that Guarantor complies with the applicable provisions of this Indenture, or (y) all or substantially all the assets of such Guarantor, if such sale or other disposition (including by merger or otherwise) is made in compliance with this Indenture and such entity is not a guarantor under any other Capital Markets Indebtedness or a Revolving Credit Agreement;

(2) if the Company properly designates the Guarantor as an Unrestricted Subsidiary under this Indenture;

(3) upon a Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture that complies with the provisions under Section 8.02, Section 8.03 or Section 14.01, respectively;

(4) upon payment in full of the aggregate principal amount of all Notes then outstanding and all other obligations under this Indenture and the Notes then due and owing;

(5) such Subsidiary Guarantor ceasing to be a Material Domestic Subsidiary and such entity is not a guarantor under any other Capital Markets Indebtedness or a Revolving Credit Agreement; or

(6) upon the occurrence of a Covenant Suspension Event, as described in Section 4.15.

Upon any occurrence giving rise to a release of a Note Guarantee as specified above and upon the Company's delivery to the Trustee of an Officer's Certificate certifying compliance with the applicable provisions, the Trustee will, at the sole cost of the Company, execute any documents reasonably requested by the Company in order to evidence or effect such release, termination and discharge in respect of such Note Guarantee. Neither the Company nor any Guarantor will be required to make a notation on the Notes to reflect any Note Guarantee or any such release, termination or discharge. The Trustee shall not be liable for any such release undertaken in reliance (in good faith) on such Officer's Certificate.

ARTICLE 14

SATISFACTION AND DISCHARGE

Section 14.01 Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect (except as to certain surviving rights of the Trustee and the Company's obligations with respect thereto) as to all Notes issued hereunder and any collateral then securing the Notes shall be released when:

(1) either:

(a) all of the Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee or Registrar for cancellation; or

(b) all of the Notes not previously delivered to the Trustee or Registrar for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee and Paying Agent for the giving of notice of redemption by the Paying Agent in the name, and at the expense, of the Company, and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee or Paying Agent (or such other entity directed, designated or appointed by the Company and reasonably acceptable to the Trustee, acting for the Trustee or Paying Agent for this purpose in accordance with this Article 14) funds in an amount of money or Government Securities sufficient to pay and discharge

the entire Indebtedness on the Notes not theretofore delivered to the Trustee or Registrar for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Company directing the Paying Agent to apply such funds to the payment thereof at maturity or redemption, as the case may be;

(2) the Company and/or the Guarantors have paid all other sums payable under this Indenture; and

(3) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to clause (1)(b) of this Section 14.01, the provisions of Section 14.02 and Section 8.06 shall survive.

If requested in writing by the Company to the Trustee and Paying Agent (which request may be included in the applicable notice of redemption or pursuant to the above referenced Officer's Certificate) no later than five Business Days prior to such distribution, the Trustee or Paying Agent shall distribute to the Holders any amounts deposited with it prior to the Stated Maturity or the redemption date, as the case may be. For the avoidance of doubt, the distribution and payment to Holders prior to the Stated Maturity or redemption date as set forth above shall not include any negative interest, present value adjustment, break cost or any additional premium on such amounts. To the extent the Notes are represented by a Global Note deposited with a depository for a clearing system, any payment to the beneficial holders holding interests as a participant of such clearing system shall be subject to the then-applicable procedures of the clearing system.

Section 14.02 Application of Trust Money.

Subject to the provisions of Section 8.06, all money or Government Securities deposited with the Trustee or Paying Agent (or such other entity directed, designated or appointed by the Company and reasonably acceptable to the Trustee, acting for the Trustee or Paying Agent for this purpose in accordance with this Article 14) pursuant to Section 14.01 shall be held and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as acceptable to the Trustee, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent (or such other entity directed, designated or appointed by the Company and reasonably acceptable to the Trustee, acting for the Trustee or Paying Agent for this purpose in accordance with this Article 14) is unable to apply any money or Government Securities in accordance with Section 14.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 14.01; *provided* that if the Company has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of their obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent (or such other entity).

Each Holder of Notes, by accepting a Note, waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the Note Guarantees. The waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

7.000% Senior Notes due 2027

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. **Interest.** Cogent Communications Group, Inc., a Delaware corporation (the “Company”), promises to pay interest on the principal amount of this Note at 7.000% per annum from June 22, 2022² until Maturity. The Company will pay interest semi-annually in arrears on June 15 and December 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that the first Interest Payment Date shall be December 15, 2022.³ The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Code) on overdue principal and premium, if any, at the interest rate on the Notes to the extent lawful; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Code) on overdue installments of interest (without regard to any applicable grace periods) at the interest rate on the Notes to the extent lawful. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **Method of Payment.** The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders at the close of business on the June 1 or December 1 (whether or not a Business Day), as the case may be, immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. If a Holder has given wire transfer instructions to the Company or the paying agent maintained by the Company (the “Paying Agent”) at least ten Business Days prior to the applicable payment date, the Company will pay through the Paying Agent all principal of and premium, if any, and interest on that Holder’s Notes in accordance with those instructions. All other payments on Notes will be made at the office or agency of the Paying Agent and Registrar unless the Company elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that all payments of principal, premium, if any, and interest, with respect to the Global Notes registered in the name of or held by DTC or its nominee will be made by wire transfer of immediately available funds to the account specified by DTC.

3. **Paying Agent and Registrar.** Initially, Wilmington Trust, National Association will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company or any of its Subsidiaries may act in any such capacity.

4. **Indenture.** The Company issued the Notes under an Indenture, dated as of June 22, 2022 (the “Indenture”), among the Company, the Guarantors named therein and Wilmington Trust, National Association, as trustee (the “Trustee”). This Note is one of a duly authorized issue of notes of the Company designated as its 7.000% Senior Notes due 2027. The Company shall be entitled to issue Additional Notes pursuant to Section 2.01 of the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

5. **Optional Redemption.**

(a) At any time prior to June 15, 2024, the Company may redeem up to 40.0% of the aggregate principal amount of Notes issued under the Indenture (calculated after giving effect to any issuance of Additional Notes) at a redemption price of 107.000% of the principal amount thereof, *plus* accrued and unpaid interest thereon

² With respect to the Initial Notes.

³ With respect to the Initial Notes.

to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date, with the net cash proceeds of one or more Equity Offerings (in the case of an Equity Offering by a direct or indirect parent of the Company to the extent that such cash proceeds are contributed to the common equity capital of the Company or used to purchase Capital Stock (other than Disqualified Stock) of the Company); *provided* that:

- (1) at least 60.0% of the aggregate principal amount of Notes issued under the Indenture (calculated after giving effect to any issuance of Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or its Affiliates); and
- (2) the redemption must occur within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to June 15, 2024, the Company may redeem all or part of the Notes at a redemption price equal to the sum of (i) 100.0% of the principal amount thereof, (ii) the Applicable Premium as of the date of redemption and (iii) accrued and unpaid interest thereon to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date.

(c) In addition, at any time on or after June 15, 2024, the Company may redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below, *plus* accrued and unpaid interest thereon, to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date, if redeemed during the 12-month period beginning on June 15 of the years indicated below:

<u>Period</u>	<u>Redemption Price</u>
2024	103.500%
2025	101.750%
2026 and thereafter	100.000%

(d) At any time, in connection with any tender offer or other offer to purchase the Notes (including pursuant to an Offer to Purchase), if not less than 90.0% in aggregate principal amount of the outstanding Notes are purchased by the Company, or any third party purchasing or acquiring Notes in lieu of the Company, all of the Holders will be deemed to have consented to such tender offer or other offer and, accordingly, the Company or such third party will have the right, upon notice as described below, to redeem the Notes that remain outstanding following such purchase at the price paid to Holders in such purchase (which may be less than par), *plus* accrued and unpaid interest, if any, on such Notes to, but excluding, the Redemption Date, subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date.

6. **Mandatory Redemption.** The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. **Notice of Redemption.** Subject to Section 3.03 of the Indenture, notice of redemption will be mailed by first-class mail (or sent electronically, or otherwise in accordance with the procedures of DTC) at least 10 days but not more than 60 days before the Redemption Date (except that redemption notices may be mailed more than 60 days prior to a Redemption Date if the notice is issued (i) in connection with Article 8 or Article 14 of the Indenture or (ii) in the case of a redemption that is subject to one or more conditions precedent) to each Holder

whose Notes are to be redeemed at its registered address (with a copy to the Trustee and Paying Agent) or otherwise in accordance with the procedures of DTC. In connection with any redemption of Notes, any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be modified or rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date so delayed. In addition, such notice of redemption may be extended if such conditions precedent have not been satisfied or waived by the Company by providing notice to the Holders. Subject to Section 3.05 of the Indenture, on and after the Redemption Date, interest ceases to accrue on Notes or portions thereof called for redemption.

8. Offers to Repurchase.

(a) Unless the Company has previously or concurrently delivered a redemption notice with respect to all the outstanding Notes as described in Section 3.03 of the Indenture (which may be conditioned on the consummation of such Change of Control Triggering Event), the Company must commence, prior to or within 30 days of the occurrence of a Change of Control Triggering Event, and consummate an Offer to Purchase for all Notes then outstanding, at a purchase price in cash equal to 101.0% of the aggregate principal amount of the Notes repurchased, *plus* accrued and unpaid interest thereon, to, but excluding, the date of repurchase, subject to the rights of Holders, on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the repurchase date. An Offer to Purchase may be made in advance of a Change of Control Triggering Event, and conditioned upon such Change of Control Triggering Event. The Change of Control offer shall be made in accordance with Section 4.09 of the Indenture.

(b) Under certain circumstances described in the Indenture, the Company will be required to apply the proceeds of Asset Sales to the repayment of the Notes and Pari Passu Debt. The offer shall be made in accordance with Section 4.07 of the Indenture.

9. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and/or the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Notes or portion of Notes selected for redemption, except for the unredeemed portion of any Notes being redeemed in part. Also, neither the Registrar nor the Company shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of mailing of notice of redemption of Notes for redemption under Section 3.02 and ending at the close of business on the day of such mailing, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part, or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of a Note may be treated as its owner for all purposes.

11. Amendment, Supplement and Waiver. The Indenture, the Note Guarantees or the Notes may be amended or supplemented as provided in the Indenture.

12. Defaults and Remedies. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. If an Event of Default (other than as specified in Section 6.01(a)(7) or (8) of the Indenture) shall occur and be continuing with respect to this Indenture, the Trustee or the Holders of at least 25.0% in aggregate principal amount of the then-outstanding Notes may declare all unpaid principal of, premium, if any, and accrued interest on

all Notes to be due and payable immediately by notice in writing to the Company (with a copy to the Trustee if notice is provided by the Holders) specifying the Event of Default. If an Event of Default specified in Section 6.01(a)(7) or (8) of the Indenture occurs and is continuing, then all outstanding Notes shall become due and payable immediately in an amount equal to the principal amount of the Notes, together with accrued and unpaid interest, if any, to the date the Notes become due and payable, without any declaration or other act on the part of the Trustee or any Holder. Holders may not enforce the Indenture, the Notes or the Note Guarantees except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then-outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders. The Holders of a majority in aggregate principal amount of the then-outstanding Notes by written notice to the Trustee may, on behalf of the Holders of all of the Notes, waive, rescind or cancel any existing Default or Event of Default and its consequences hereunder if such waiver, rescission or cancellation would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest, if any, on the Notes; *provided, however,* that the Holders of a majority in aggregate principal amount of the then-outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required within 30 days after an Officer of the Company becomes aware of any Default or Event of Default, to deliver to the Trustee an Officer's Certificate specifying such Default or Event of Default (unless such Default or Event of Default has been cured or waived within such 30-day time period) and any actions being taken by the Company and the Guarantors with respect thereto.

13. Trustee Dealings with Company. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. No Recourse Against Others. No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company, any Subsidiary or any direct or indirect parent of the Company, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the Note Guarantees. The waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

15. Authentication. This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee or an authenticating agent.

16. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

17. GOVERNING LAW. THE INDENTURE, THE NOTES AND ANY NOTE GUARANTEE WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

18. WAIVER OF JURY TRIAL. EACH OF THE PARTIES TO THE INDENTURE IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THE INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED THEREBY.

19. CUSIP/ISIN Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company have caused CUSIP/ISIN numbers to be printed on the Notes and the Trustee may use CUSIP/ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Company in writing or by telephone at the following address:

W I T N E S E T H

WHEREAS, each of the Company and the Guarantors (as defined in the Indenture referred to below) have heretofore executed and delivered to the Trustee an indenture (the “Indenture”), dated as of June 22, 2022 providing for the issuance of an \$450,000,000 aggregate principal amount of 7.000% Senior Notes due 2027 (the “Notes”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteing Subsidiary shall unconditionally guarantee all of the Company’s Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture; and
